INTERESTING COUNTY CONVENTION W. C. T. U.

The W. C. T. U. county convention held at the Newman M. E. church Friday was a most successful affair in every particular, and was greatly enjoyed by local members as well as the large number of visitors in attendance.

At the morning session, Mrs. Caldwell, county president, was in the chair and the work for the forenoon was as follows: First, a devotional song service, led by the president.

After the report of the county president had been read and accepted, the reports from the various unions were read. Kerby was reported by Rev. Cady.

After dinner the afternoon session opened with devotional services led by Mrs. Sturtevant. Round table talks were led by Mrs. Henkle and an interesting talk on "Savings Banks" was given by Mrs. Nichols.

A short recess was taken at this hour, after which a song, "My Faith Looks Up to Thee," was sung by all members. Following this came a piano solo by Olive Courtney.

At the evening session an interesting program was held after the serving of an excellent supper in the church parlors.
