DR. LOUGHRIDGE RECEIVES LETTER OF APOLOGY. Dr. Loughridge, who was "jumped on" by a revenue agent when a liquor case with stamp not erased was found in the physician's office, has received the following from Woodard Clarke & Co., wholesale drug house at Portland, the date being November 29:

"Dr. S. Loughridge, Grants Pass, Ore. "My Dear Dr. Loughridge:— Yours of the 20th to hand. Personally and for the firm I wish to express my deep chagrin and regret at the occurrence outlined in your letter, and also one just received from Mr. Norton. The writer is entirely at a loss as to how the case in question could have left our hands.

Our instructions to the sales people in our liquor department are very clear, and they fully understand that revenue stamps must be erased or mutilated to prevent reuse, and that stencils must be removed from the cases to prevent embarrassment to our customers when the cases are used for packing merchandise other than liquor.

If there is any statement that we can make for you in explanation or apology covering the matter and setting out the facts of the case fully and clearly that no one could misunderstand, please command. I don't know what more we can say at this time.

Yours very sincerely, WOODARD, CLARKE & CO.
