"Graustark," will be the attraction at the Grants Pass opera house Thursday evening, February 8. Messrs. Baker & Castle guarantee a perfect performance in every particular. They send on tour a carload of massive scenery. Mr. Baker, who

cast and produced the play, has given the same attention to ensemble and detail which contributed so largely to the success of "Quo Vadis," "When Johnny Comes Marching Home," and Mme. Schumann-

END REVENUE LICENSE BY ORDINANCE

If a proposed ordinance introduced into the city council last night is made into law the government of the United States may lose some customers in the form of purchasers of revenue licenses. The ordinance was read twice last night and comes up for final passage at the next regular meeting of the council.

If the proposed ordinance passes it means that every drink establishment and every drug store must make affidavit that the place owns no government liquor license. Then if deception is practiced, and a proprietor found with a federal revenue license, he can be prosecuted under the state law for perjury, stated an attorney last night.

There are some other lively clauses in the proposed ordinance, which reads as follows:

ORDINANCE NO.—
 An ordinance licensing and regulating eating houses, restaurants, lunch counters, dining rooms, ice cream parlors, drinking shops and all places where food or drink of any character is served to the public.
THE CITY OF GRANTS PASS ORDINANCES AS FOLLOWS:

Sec. 1. That any person, firm or corporation conducting any eating house, lunch counter, dining room, restaurant or any place of business where meals are served or food is sold to be eaten on the premises, or any beverage, liquor or liquid is sold to be drunk upon the premises, shall first secure a license from the city of Grants Pass and shall pay for said license in advance. All said licenses shall be payable on the first day of January of each year and the first

day of every quarter thereafter, but in case licenses shall be taken out before the first day of any quarter, the applicant shall pay a proportionate amount for such part of said quarter.

Sec. 2. The license shall be issued by the auditor and police judge, to whom the applicant shall pay the license fee. The person or persons applying for said license, except in case of a drug store, shall make the following affidavit, which shall be sworn to before the auditor and police judge:

State of Oregon, County of Josephine, ss.

I, being first duly sworn, depose and say that I am the applicant for license to carry on the business of (here describe the kind of business to be engaged in referred to in this ordinance) at No. street in the city of Grants Pass. The names of the persons interested in said business are as follows:

That I am not the holder of any no person interested in said business is the holder of a license to sell liquor at retail issued by the internal revenue department of government of the United States, and no person employed in said business is the holder of said license, and while I conduct said business, no person will be employed who holds any such license, and if any person interested in said business shall receive any such license, I will inform the city attorney as soon as I learn of such fact.

Subscribed and sworn to before me this day of 1912.

Auditor and Police Judge of the City of Grants Pass, Josephine County, Oregon.

Sec. 3. In the case of a drug store employing a duly licensed pharmacist, said affidavit shall be as follows:

That no license to carry on any business provided for by this ordinance shall be issued to any person who is the holder of any license issued by the government of the United States for the sale of liquors while the sale of intoxicating liquors is prohibited within the territorial limits where such business is to be carried on either by law of this state or of this city.

Sec. 6. It shall be unlawful for any person conducting any eating house, restaurant or lunch counter to maintain any boxes or stalls or screened rooms in any such eating place, and no dining room or eating room shall contain less than 300 square feet.

Sec. 7. Every police officer of this city shall be ex-officio inspector of all eating houses, dining rooms, lunch counters and restaurants, and it shall be the duty of the proprietor, manager or employe of any such place to keep the same, and all lockers, cupboards, refrigerators or boxes of any kind or receptacle in which any article or articles of food or drink are kept, open to inspection at all hours of the day or night when the same shall be open for business for the purpose of permitting such inspectors to examine the same and the character of food and drink served therein. It shall be the duty of either proprietor, keeper, manager or employe in any such eating house to furnish to the inspector upon demand a sample of any liquid or drink that is kept on sale or is supplied in any such place for the purpose of

Sec. 10. Whereas, there are various persons in the city of Grants Pass conducting eating houses, sort drink parlors, who are engaged in the sale of intoxicating liquors in violation of law, and whereas, the ordinances of this city are insufficient to prevent the said illegal sale of liquors, and whereas, the said illegal sale of liquors is a menace to the peace and quiet of the city of Grants Pass, an emergency is declared to exist, and this ordinance shall take effect three days after its approval by the mayor.
