KANSAS PRIMARY ELECTION IS BEING HELD TODAY.

TOPEKA, Kas., Aug. 6.—Ideal weather prevailing, a record vote was expected in today's primary election, in which presidential electors, a state ticket, candidate for congressman and one United States senator will be nominated.

Governor Stubbs is confident that the Roosevelt candidates will beat the Taft men. Stubbs is the Roosevelt candidate for United States senator.

STREET CAR STRIKE COMING.

CHICAGO, Aug. 6.—Following a fruitless conference between street car employes and officials of the company here, it was stated today that the chances for a strike being called at midnight are great. The unions will hold a meeting then, and unless a compromise is soon arrived at, they threaten to go out immediately.

CANADIAN PHARMACISTS CONVENE AT VANCOUVER.

VANCOUVER, B. C., Aug. 6.—The fifth annual convention of the Canadian Pharmaceutical Association, which is being held here this year opened yesterday afternoon and will continue until Saturday. There is a big attendance of delegates from all parts of the dominion, every province being represented.

RECORD OF VISITORS KEPT BY SECRETARY.

WASHINGTON, Aug. 6.—No matter who you are, whether senator, congressman, bricklayer, business man or just an ordinary reporter, every time that you call on Secretary of the Treasury MacVeagh your name goes down in a little book and is made a part of a permanent record. If the secretary wants to know who called on him a year ago he can look in this little book and find out. If there is a dispute about it the book will tell.

The idea is a pet of Francis Taylor, private secretary to the secretary. Every time a man goes to see the secretary, Mr. Taylor gets his name and if he is an out of town man his business. It requires a good deal of hustling on Mr. Taylor's part but he gets away with the job very handily. Sometimes a group of six or seven persons or maybe 20 arrive to see the secretary at once. This doesn't worry Taylor. He gets them all just the same.

The record served the secretary very usefully recently in a controversy which he had with one of the assistant secretaries who resigned. The assistant claimed that since his service in the treasury, or a large part of the time, had been unable to get an interview with the secretary. The record showed that during a certain period in dispute the assistant secretary had 21 audiences with his chief.

AMERICANS DRINK LESS CHAMPAGNE.

WASHINGTON, Aug. 5.—Maybe it's the high cost of living—but anyway, Americans aren't drinking as much champagne as they were, went to in the olden days.

A special report from Consul Bardelet, at Rheims, France, just made public by the bureau of manufacturers, shows that while the 1911-1912, sales from the champagne district to the United States were a large increase over the year previous, still the total isn't nearly as much as in the years previous.

In the 1911-1912 year France disposed of 2,775,624 quart bottles of the "grape" to the United States. The year previous the total was only 1,951,316 bottles. But in 1909 it reached the big total of 5,420,316—the most wine sent to the United States in ten years.

The consular official estimates that the "decrease is due to higher prices for champagne in France as also with the increase in United States customs duties on sparkling wines."

DENVER EDITOR SENTENCED TO FIVE DAYS IN JAIL.

DENVER, Aug. 5.—Robert Speer, former mayor of Denver and now an owner of the Denver Times, was this afternoon found guilty of contempt of court by Judge Shattuck and sentenced to five days in jail and to be fined \$1,000 and half the costs of his trial.

Speer arranged to ask the state supreme court to intervene.

Speer's contempt was committed through editorials in the Times in connection with a libel suit against the Denver Post by William G. Evans.

ENGLISH IDEAS BROWED BY ROOSEVELT.

LONDON, Aug. 6.—The newspapers here today devote much space to discussion of the workmen's insurance feature of former Senator Beveridge's speech as temporary chairman of the new national progressive party in the United States. The News-Leader says the Roosevelt men have borrowed the plumes of Chancellor Lloyd-George. Other papers also refer to the "theft of Lloyd-George's thunder."

CONVENTION ADJOURNED.

CHICAGO, Aug. 6.—When he ended his speech in the national convention today, Colonel Roosevelt started back from the front of the platform. He was surrounded and congratulated while the delegates cheered and the band played "Maryland, My Maryland."

Colonel Roosevelt at once returned to his rooms at the Congress hotel.

Chairman Knox of the credentials committee reported the action of that committee as agreed on earlier in the day and it was agreed on unanimously.

After the report of the rules committee had been adopted without division, the convention, at 3:55 p. m., adjourned until 11 a. m. tomorrow.

A TOWN WAKING UP.

Automobile Summer Tourists Appreciate Crescent City of Its Opportunities.

Critics of the old town may say that it took a long time, but Crescent City, the county seat of Del Norte county, California, has at last found itself and is waking up. More general public spirit is being displayed there now than ever before; there is literally a civic awakening.

Touring automobilists using both the Grants Pass and Humboldt routes are responsible for the change of a dead and ambitious town to a community with high aspirations. Praise of the magnificent scenery by the tourists and recommendations that the country be brought to the attention of automobilists and the state generally has caused the advice to be acted upon. The celebration to be held at Crescent City August 26 to 31, and to be known as a water carnival and fair, is intended to provide entertainment for tourists as well as for the people of Del Norte and adjoining counties. The pleasures of the road and the scenery will not be the only recompense for a trip to Crescent City; there will be a series of events during the week that will well be worth witnessing. The white deer skin dance is not altogether new to northern California and southern Oregon people, but it will be a treat for persons who do not live in this section. The aquatic sports will also have an element of novelty. Close to Crescent City is Pebble Beach, where agates and moonstones are found, and in another direction from the city is the "sand mine," where gold is extracted from the ocean sands.

For people who reside in Del Norte and adjoining counties there will be athletic and sporting contests involving teams and persons known in this section. There will be baseball games and races in which horses, automobiles and motorcycles will take part. Displays of farm products are invited from all of the neighboring counties.

These are features of chief interest to outsiders, but the promoters believe that one splendid effect will be to continue from year to year the enthusiasm and new spirit that have lately germinated and make the water carnival and fair an annual and noteworthy event, stimulating the citizens to fresh activities in other fields as well.

MORE TROUBLE COMING ON MEXICAN BORDER.

WASHINGTON, Aug. 5.—Colonel Steever, in charge of the United States troops guarding the border at El Paso, telegraphed the war department today that it was unconformably rumored that the rebels plan to fire a volley across the border into El Paso as a parting evidence of their hatred for Americans.

BOY KILLED BY TRAIN.

CHEHALIS, Wash., Aug. 5.—William Cole, aged 17, sole support of a widowed mother, today is dead, having been run down by a train. He was riding a bicycle and dismounted to cross the railroad tracks ahead of the approaching train. His foot became lodged between the track and plank of the driveway and being unable to extricate himself, was struck by the engine.
