# EXPERT WANN REPORTS ON MUNICIPAL FINANCES

Grants Pass, Ore., Feb. 6, 1913. To the Honorable Mayor & Common Council of the City of Grants Pass, Oregon.

Gentlemen: In accordance with your instructions I have audited the records and accounts of the Recorder's and Treasurer's offices of this city.

While the system installed by me one year ago has worked out to good advantage, I think that during the coming year we shall make as much improvement in efficiency as during the past year. Toward this end I make the following suggestions as to the improvement of the system.

1st. That a new cash book be provided for the auditor, as practically all the clerical errors in the auditor's office have resulted from the clumsiness and inconvenience of the cash book now in use.

2nd. That an up-to-date City Lien Docket be installed instead of two books now in use in the auditor's office, i. e., the City Lien Docket and the Auditor's Improvement Warrant Register.

3rd. That one person, who is available at all times during business hours, be authorized to sign requisitions, as a committee cannot successfully act in an executive capacity. This person will, of course, be subjected to the supervision of the purchasing committee.

4th. That time be turned in for the city team and wagon at the current rate of wages; these amounts to be charged to department for which such work is performed. By comparing the year's earnings with the cost of feeding, upkeep and repairs, as shown by the auditor's warrant register, a profit or loss will be shown.

5th. That all delinquent accounts in the City Lien Docket be collected at once, in order that the exact standing of the improvement funds will show on the books. Full interest must be collected.

6th. That arbitrary transfers from improvement funds to general funds, mentioned in my report last year, be re-transferred to said im-

provement funds, amounting to \$4,275.96, as follows:

"F" St.	\$ 146.68
"G" St.	165.80
6th St.	2908.05
"H" St.	337.23
E. 6th St.	22.88
"E" St.	416.43
5th St.	107.51
59 & 60	171.38
Total	\$4275.96

7th. That no refunds shall be made, excepting on a basis of cash actually remaining in an improvement fund, as shown by the treasurer's ledger, after bond sale has been made and all outstanding improvement warrants taken up.

8th. That approximately \$6,000.00 be set aside each year for the purpose of creating a sinking fund to retire the general indebtedness of this city. When conditions make it necessary this sinking fund should be invested in order that the annual payment of coupon interest may be offset.

There are no shortages and such clerical errors as have occurred have been corrected.

Respectfully submitted, W. H. WANN.
