ERRORS GIVE CHRISTIANS TWILIGHT BALL GAME.

In the most exciting and quite the worst game of the season, the luckless Baptist team of the Grants Pass Twilight league went down to defeat by a score of 5 to 3 before the fighting Christian aggregation on high school field last night. The Baptists batted hard, their eight hits including a triple by Summers and doubles by O. Douglas and Guinette, and deserved to win. Their downfall was brought about by their seven errors, five of which were bunched by infielders in the first inning, Trefern being the principal offender; and by their indecision on bases and poor coaching in the third, which ended a promising rally.

Honey caught his first game of the season and his work, like that of last year, was high class. He batted .333,

A Circus Catch by First Baseman Claude Smith.

made a run and stole two bases. O. Douglas pitched a good game despite disheartening support, allowing only one earned run, and was a grizzly at bat, clouting out two singles and a double in three times up.

The Christian club, weakened by the absence of Faubion and Launer, was as peppery as ever. Bratton was hit harder than usual, but with a team behind him such as he has he "should worry." C. Trimble batted hard and timely. Claude Smith performed effulgently at first, devouring with ease all kinds of wild and hastily made pegs. The work of young Irvin Smith at short was sensational all through, and in the last inning he saved the game for his team when, with two Baptists down and two on bases and with 400 male and female dervishes creating pandemonium, he grabbed McCracken's difficult and torrid grounder and with not an instant to spare fired the ball with rifle speed to first for the third out. The peg was untrue, but C. Smith made a great catch, ending the game and the near-rally and Christian eyes were smiling and Christian hearts were happy.

The Score.

DREAMS OF WEALTH WERE SOON DISSIPATED.

New York, June 5.—"Such is life," was the only comment here today of Herbert W. Robinson, a Commercial Cable telegraph operator, who won and lost \$15,000 within 20 minutes here yesterday.

The eastern telegraphers made up a pool on the English Derby race at Epsom yesterday, each ticket costing \$1.25. Robinson bought his ticket three months ago, drawing Craganour. He handled the first flash from Epsom yesterday, telling of Craganour's victory. He merely lighted a cigarette and continued with his work. Then came the news of the disqualification of Craganour. Not a muscle moved in Robinson's face. He merely lighted a fresh cigarette and worked on.
