COMMISSIONERS AUTHORIZE ROAD IMPROVEMENT.

The county commissioners have authorized the improvement of stretches in the county roads that needed repair before the winter weather sets in, and work upon it will commence at once under direction of Road Supervisor Brinkerhoff. The directors of the Good Roads association waited upon the commissioners Wednesday, calling attention to numerous places that could be made much better with little expense, and these are included in the road to be improved, the estimated cost of all the work being \$12,000. The improvement will consist in the graveling and hard surfacing of stretches that have already been graded. These dirt roads are excellent during the summer, but with the rains of winter would become soft and difficult for auto travel, and the object of the association was to make the road good enough that through travelers who desire to take the Crescent City-Eureka route need not hesitate because of the character of the highway. A stretch of road on Slate creek will be the biggest piece of improvement undertaken, the estimate of cost for graveling that being \$5,500. The road between Waldo and Kerby will also be improved, as will three-fourths of a mile of the Holland road. These are the only bad places on the Josephine county end of the Crescent City road, and with their improvement the road will be in perfect condition.

Other road work authorized by the commissioners include a piece on the Williams valley road and three-fourths of a mile on the Galice road below Merlin. Mr. Brinkerhoff will start work without delay, and will have all the graveling done before the fall rains.

Oakland, Cal., Sept. 6.—The Oakland Club of the Pacific Coast league today handed Pitcher "Hub" Pernoll and Outfielder Schrim their unconditional releases, Pernoll's finish came yesterday when the Portland Beavers made six runs off his delivery in the ninth inning, and Schrim failed to show the form expected of him.

ELMER SHANK IS ACQUITTED BY JURY.

(From Monday's Daily.)
A jury in the circuit court today has held that Elmer Shank was not guilty of the charge of obtaining property under false pretenses, upon which he was recently indicted by the grand jury in this county.

The complaint against Shank alleged that he had taken a wagon from Bird Sisson, of the "Dollar" ranch, the value of which, \$25 was to be applied on a note given him by Sisson, but which note it was alleged that Shank had sold and had failed to give Sisson due credit for the value of the wagon. The jury was out but a short time when it returned the verdict of acquittal.

This afternoon Harry Banta charged with having attempted to assault Elizabeth Galbraith at the latter's homestead near Kerby, is on trial before a jury.

After hearing the evidence in the case the judge instructed the jury to find a verdict of acquittal for Mr. Shank, and the verdict was returned without the jury leaving the jury box.

INTERESTING MEETING OF LADIES' AUXILIARY.

If the first meeting of the auxiliary held Saturday is a criterion of those to follow during the coming year, no member can afford to be absent from a single session. The new president, Mrs. Conklin, was inaugurated, and the "president's message" contained some splendid features which appealed to the club.

Mrs. Sabin and Hobart had the program in charge, responses to roll call being vacation reminiscences. Mrs. McKibbin read a beautiful exposition of the "Heart of the Woman Movement," and delightful musical numbers, piano selections by Mrs. Elliot, and vocal by Miss Parillo, were enthusiastically received, and both graciously responded to encores.

Both the assembly room and the tea room at the Commercial club were charmingly decorated for the occasion, sisters in white, purple and pink being lavishly used. Mesdames R. L. and Abert Coe, R. A. N. Reynolds and N. E. Townsend as hostesses, dispensed iced tea and sweet wafers. Year books were circulated which among other things announced the next meeting as "library day."

Josephine Pioneer Dead.

The body of George Briggs, aged about 75 years, was brought to Grants Pass Saturday morning from Salem and was taken to Kerby for interment. George Briggs was a pioneer, coming to Josephine county in 1853 with his parents and five brothers and sisters, by way of the Isthmus and Crescent City. The father took up a donation claim near Kerby, where George, who did not marry, lived until two months before his death when he was taken to a hospital at Salem, where he died. He leaves a sister, Mrs. Libby Thompson, the only survivor of the six children. David Briggs, another brother, died only a few months ago.

GAMBLING CHARGES FOLLOW RAIDS ON LOS ANGELES CLUB.

Los Angeles, Sept. 8.—Forty-five men are in jail here today waiting to answer gambling charges, following a series of police raids on half a dozen "clubs" late Saturday and early Sunday. Almost as many were released on bail of \$500 each following their arrest.

Steady streams of women and children, many bearing flowers and baskets of lunch, gave the jail the general appearance of a picnic ground. They were bringing Sunday dinners to unavoidably-detained husbands and fathers.

HEARTBREAKER IN JAIL IS WRITING MELODRAMA.

Portland, Sept. 8.—To while away the time, E. C. Von Klein, the debonair heart wrecker, held in the county jail charged with marrying Ethel Newcomb polygamously and stealing her diamonds, is today writing the outlines of a melodrama which will deal with his own experiences since his arrest in Chicago April 6, and the cast of characters will include every one with whom he has come in contact during that time.

The title will be "Food for Reflection."

The first scene is laid in the Congress hotel, Chicago, and the meeting with Ethel Newcomb which culminated in his arrest as her long lost husband and purloiner of her diamonds is described.

Von Klein was tried once on the charge of stealing Miss Newcomb's jewels but the jury disagreed.

PRESIDENT'S DAUGHTER SLEEPS IN UPPER BERTH.

Windsor, Vt., Sept. 8.—Admiration for the chivalry of American men is brightly tempered today in the mind of Miss Eleanor Wilson, daughter of the president, who returned here from a week end visit to her cousin, Mrs. George Howe of New York.

Miss Wilson reserved a berth in New York yesterday but found only uppers were left. The train conductor personally asked all the men holding lowers to exchange with Miss Wilson, but one and all refused. The president's daughter then climbed the porter's ladder and slept all night on the upper tier.

The meetings will continue three days. There were representatives from all over the country. Addresses of welcome were delivered by Mayor Blankenburg and Edward S. West of the local chapter. Only members of chapters in the eastern Pennsylvania district took part in today's sessions and either tomorrow or Thursday delegates will be named to go to the national convention at St. Louis later this month. The official emblem of the order is a black cat. The initiation fee is \$9.99 and annual dues are 99 cents. The membership is limited to 39,999.

DIARRHOEA QUICKLY CURED.

"I was taken with diarrhoea and Mr. Yorks, the merchant here, persuaded me to try a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After taking one dose of it I was cured. It also cured others that I gave it to," writes M. E. Gehhart, Orleto, Pa. That is not at all unusual. An ordinary attack of diarrhoea can almost invariably be cured by one or two doses of this remedy. For sale by all dealers.
