Poppies For Poppy Day Arrive

Poppies which will be worn here in memory of the World War dead on Poppy Day, Saturday, May 29, have been received by Glenn Morrison Unit of the American Legion Auxiliary from Roseburg where they have been made by disabled war veterans. The flowers are crepe paper replicas of the famous poppies of France and Flanders, that flourished and bloomed amid the war's desolation. They are being arranged for city-wide distribution on Poppy Day. "Each flower has been made with pains and care by some disabled World War veteran," Irene Stalleup, poppy chairman of the Auxiliary, explained. "They are made to represent as closely as possible the little red flowers that these men saw in the fields of France where so many of their comrades still lie. Their significance comes from the sacrifices of those thousands of brave young Americans who died in the country's service on the battle fields of France.

"Making the poppies has provided employment for many hundreds of disabled men through the winter and spring months. The work not only has enabled them to help support themselves and families, but also has been valuable as occupational therapy. It has been conducted in veterans' hospitals and in special poppy workrooms in every part of the country.

"Disabled veterans receiving little or no government compensation are the only ones employed in the poppy program. Preference is given to those with dependent families. The work is a Godsend to these men who could not possibly find or perform other employment."

In addition selected shorts and news reel. Two shows are given each evening, first begins at 7 p. m. sharp; second one at 9 p. m.

Selma School Held Picnic Last Wednesday

Wednesday, May 19th the Selma school held a picnic and

among other features there was a ball game between the married ladies and the young girls. It was nip and tuck for a time but the girls finally won with a score of 14 to 9 in their favor in spite of the fact that some of the boys helped the losing side. All voted the picnic a success and especially the ball game.

Legion News

W. L. Henry is improving but he is still confined to his home two miles north of Kerby.

Last Monday a flag was presented to the Boy Scouts and they now have a good flag of their own. All members of the Legion are asked to help build up our own sponsored Boy Scout troop.

It was decided against breaking the rule of not allowing other organizations to rent the Legion hall for dances as long as the Legion is giving them twice a month. The Chamber of Commerce wanted the hall for a dance on June 5.

The Ladies Auxiliary will hold an initiation at the next meeting Wednesday, June 2.

The next dance will be the Poppy dance given by the Auxiliary and it is to be one of the finest ever given. All should make it a point to be there.

Special examinations on general subjects were sponsored by the Legion and awards will be made to the boy or girl making the highest grade at the grade school graduating exercises next Monday evening. Schools taking part in the special examination were Kerby, Spence, Selma, Payne, Holland, White, Waldo, and O'Brien.

C. E. Adair Gets Shock From Hot Electric Wire

Monday C. E. Adair of Cave City received an electric shock and he is still confined to his bed.

It seems Mr. Adair was walking down a road when the wind blew a sapling across the electric wires of the California-Oregon Power Co., and it was reported that a wire hit Mr. Adair across the back knocking him to the ground. He must have struck on a rock as he received a cut across his nose and lip as well as the electrical shock.

Del Rio Auto Camp Making Improvements

Del Rio Auto Camp, one of the popular camping places on the Redwoods highway, situated on the Illinois river at Cave Junction, has just finished six new tourist cabins. J. B. Paine, owner of the camp has made many new improvements to his place and is modernizing all his cabins. The new ones just finished are modern in every detail.

R. H. Hallock is the manager of the camp ground and also the service station at the entrance to the camp.

Friday night 8 p. m.
(At the home of Leonard Beard).

Our Sunday School is growing nicely and the interest is good. We have classes for all ages with competent teachers. Bring your children.

The Sunday morning sermon theme will be "Healing Waters," Scripture Ezk. 47. This will be of especial interest to the Christians who are studying prophecy.

Better come out and hear our young people as they conduct the Defenders Service Sunday evening at 7 o'clock.

Sunday nights sermon will be on the subject "Paid in Full," an evangelistic message which will be full of encouragement to you.

We now have some nice blackboards in the Bridgeview Community church to use in Bible study, thanks to Mr. Martin of the Cave Junction Hardware store who furnished the plywood and Harry Floyd of the Holland General Merchandise store who furnished the liquid slating. We appreciate the spirit of cooperation which we find here. The pastor says "Thank you in the Name of Christ and the Church."

In all our years in the ministry we have never had such a write-up in a news paper as was given us in the first issue of the Illinois Valley News. We thank God for a newspaper that will specialize the good and wholesome in life in preference to the yellow and filthy in the news realm. Athey Brothers, we thank you. Rev. Ed. Wright, Pastor Bridgeview Community Church.

Editors Note—Our thanks to you, Bro. Wright, for giving us the news and your wonderful cooperation.

Rev. Haines preached at the 11 o'clock service using as his text the 21st verse of the 5th chapter of Judges.

Claude Puckett conducted the "Defenders of Christ" meeting at 7 p. m.

Rev. Wright preached at 8 p. m., his text was taken from Luke 18:8 and "Faith" his theme.

Sunday School and church services at Legion hall, Cave City, every Sunday. Sunday School at 9:45 a. m. Church services at 11:00 a. m. Rev. George L. Gray of Grants Pass, pastor. Every one invited.

Pine Beetle Inroads Now Being Checked

Man's counter attack against the diminutive pine beetle, arch destroyer of pine forests in Oregon and Washington, has made important progress in the past year, according to A. J. Jaenicke in charge of regional insect control work for the U. S. forest service. Man's efforts have been effectively abetted by nature in providing severe winters and improved moisture conditions in the past two years, Jaenicke said. Credit for progress he attributes to cooperation of timberland owners and administrative agencies with the advice of the U. S. Bureau of Entomology and Plant Quarantine. Showing the seriousness of the previous situation, the forester stated that in the five years previous to 1936, the western pine beetle had destroyed 15 times as much pine timber as forest fires and approximately as much timber as all pine sawmills cut in Oregon and Washington.

CCC tree troopers under forest service direction in the past year have halted beetle inroads on more than 180,000 acres of privately owned and national forest timber lands.
