FIRST AID TO THE AILING HOUSE

By Roger B. Whitman

RENOVATING A BATHROOM

BATHROOMS have been so great-
ly improved within the last few
years that one of old style makes
a whole house seem old-fashioned.
The points that make a bathroom
out-of-date are a bathtub on legs,
a high-tank toilet, a wash-basin with
a marble top or of old-fashioned
design, plaster walls and a wood
floor. The door of a bathroom of
that kind is usually kept closed at
all times, whereas a room of mod-
ern design is something to be proud
of.

There is no great effort or ex-
pense in renovating an old bath-
room and in giving it all of the
beauty of modern design. A new
toilet is built-in in a corner, which
completely obviates the collecting
of dust beneath and behind it. A
built-in tub also permits the fitting
of a wall shower, with the use of
a curtain to confine the spray. A
separate shower stall is preferred
to a wall shower, and can often be
built at the end of a tub, which
thus has only one side open.

Of the new fixtures, the tub is
the most expensive. When costs
must be kept down, an old style
tub can be built-in by removing
the legs, wedging it in a corner,
and surrounding it by a framework
finished with tiles or other water-
proof covering. When this is done,
the wall surface must come well
over the rounded rim of the tub,
so that water, running down the
walls, will drain into the tub rather
than behind the rim.

The most usual finish for bath-
room walls is a five-foot or six-foot
wainscot of tiles, which are usually
set on a concrete base laid on metal
lath. Many substitutes for tiles are
to be had. In making a selection,
it must be borne in mind that the
walls should be waterproof, easily
cleanable, not affected by steam,
and proof against scratching.

The walls above the tile wainscot
and the ceiling should have a finish
that will not be affected by steam.
For this, the modern quick drying
enamels are excellent.

For the floor, the choice is be-
tween tile, and linoleum, rubber or
similar material. Linoleum is very
usual because of its warmth and
softness.

A sunshiny bathroom can well be
finished in one of the cool colors—
green or blue. For a north
bathroom, the color should be
warmer—rose, or a warm yellow,
for example.

Whole Or in Pieces

"Which would yez rather be in,
Casey—an explosion or a collision?"
asked his friend, McCarthy.

"In a collision," replied Casey.

"Why?"

"Because in a collision there yez
are; but in an explosion, where are
yez?" — Pearson's Weekly Maga-
zine.

POTPOURRI

Origin of Foot Measure

Because the measurement of
length in feet originally was
based on the human foot, it varied
according to countries. The
Greek foot was 12.14 inches, that
of Macedonia, 14.08 inches, of
Sicily 8.75 inches, Pythia 9.72 in-
ches, and Geneva, 19.21 inches.
The foot of Henry I. of England
was 12 inches and hence the
British and United States stand-
ard.

Sunday, June 6 is Communion
Sunday. We will spread the Lords
Table at 11 o'clock and repeat
His invitation to you to "Come
and Dine." This is a Church Or-
dinance which was organized by
Christ Himself and instructed His
followers to continue it until He
comes.

We plan to have an entirely new
kind of Evangelistic Service Sun-
day evening. Will have five
speakers on one subject, namely,
"Strayers and Quitters." This
service will be preceded by a real
old time song service, singing your
favorite songs. Also special mu-
sic and a good time for all.

Yes, Kerby has a Sunday School.
We organized last Sunday at 2:30
with 57 people present. Had four
good teachers, some special music
by the James boys of Bridgeview,
and all felt the hour was well
spent.

Our pulpit guest, Rev. Haines
delivered a heart searching ser-
mon last Sunday night on "Profit
and Loss." It was worth your while
to make a special effort to hear
him the next opportunity. Watch
for announcement in this paper.

We are planning a Union Sun-
day School picnic to be held July
4th. Will announce details later.

Last Sunday was our red letter
day in the number of visitors, had
a fine delegation of CCC boys
with their educational director
and trainers, also Mrs. Kitterman
and Mrs. Pena from Shasta City,
Cal., a fine group from Kerby
and L. E. Athey of the News.
Had 57 in attendance at the morn-
ing service and 74 at night. Come
again folks, if we outgrow the
building we can have open air ser-
vices until we can do better.

Ed. Wright, Pastor.

Cave Junction Community
church holds services every Sun-
day in the American Legion hall.
Sunday school at 9:45 and church
services at 11 a. m. All are cor-
dially invited to attend all ser-
vices.

Rev. Geo. R. Gray, Pastor.

Real Zoo

"Everybody in our family is some
kind of an animal," remarked Ed.
Tommy.

"What do you mean?" asked his
mother.

"Why, mother, you're a deer,
baby is mother's little lamb, I'm
the kid, sister is some chicken, and
dad's the goat."

The Popcorn Man

by
LAWRENCE
HAWTHORNE

I'd like t' be the Popcorn Man!
He rides around all day—
An' makes a lot o' money, too.
'Cause all the children pay
For popcorn, peanuts, ice cream cones
An' candy, gum an'—Well,
Whatever else a Popcorn Man
Is hopin' he can sell!

I bet it's lots o' fun t' blow
A whistle all day long—
An' I'd fix up a siren, too.
An' probably a gong.
I'd use 'em all in every block!
The big folks might get mad,
But all the kids along the street,
You bet, would sure be glad!

An' here's the best: When I got home,
I'd give myself a treat;
I'd say, "Ju" help yourself, my boy
To all that you can eat!"
You see, I'd never need t' spend
A nickel or a dime—
An' golly, that's what any guy
Would call a darn good time!
