POSSIBILITIES OF THE JUBILEE

We do not believe the residents of the valley realize what benefit the Miners' Jubilee is going to be to them. The value in dollars and cents cannot be estimated. Every city that establishes a yearly celebration of some kind, characteristic of the enterprise of the district, receives publicity that cannot be bought through their celebration activities. If we receive nothing more than that, however, it is well worth the effort.

But there is a greater advantage to the Illinois Valley. We have one of the greatest mineral belts in the world, and its development has been hampered by this tale and that story emanating some times from residents of the valley, which has had its effect upon the ultimate development of our mining properties.

The Jubilee will have an opportunity to break down this unreliable information, and the world will see the truth, because we will have the machinery on the ground to prove it. Outsiders won't have to take our word for anything. They can go up in the hills, pick their own samples at random and bring them down to the smelter and have their own tests made. All this is proof of what we have been trying to tell the world—We have it here and in such quantities to astonish the world, and it won't be long until we will be able to demonstrate the truth of the assertion.

The Jubilee is the instrument through which all this can be accomplished, and every citizen in the valley who loves his reputation, loves his district and home, should welcome the opportunity to help make this, our first Jubilee, the grand success we all want it to be.

It is your Jubilee, not Cave City's, not Kerby's, or anybody else—it is for the Illinois Valley, the entire population of the valley will come under the spell of its success or failure.

WHISKERS AND FLANNEL PETTICOATS

Whiskers, whiskers everywhere and not a one's been pulled. How do we know? Somebody told us so. Anyway take a good look and try and find some of the whiskers on some of the masculine faces that are doing their darndest to prove themselves "He" men and have a full grown beard for the great Miners' Jubilee.

And the ladies—Bless 'em—We can't get along with them and can't get along without 'em—So what? Make 'em wear red flannel petticoats if the men have to wear whiskers. That's fair enough.

Anyway, it was a good suggestion that all the ladies wear some kind of old fashioned dress from now until the Jubilee is over, and it will be great advertising. What do the ladies think?

Fine Letter From Rev. Brown Who Visited Here

Illinois Valley News,
Cave City Junction, Ore.
Dear Mr. Editor:

I wish to express to you my sincere appreciation of the many thoughtful kindnesses shown me on my recent passing through Cave City Junction. The enterprise and responsiveness of the citizens is shown in the creation of the Fire Department and I hope your program was a huge success. The object was worthy of the heartiest support.

Then the organization of the Chamber of Commerce through which the public spirited citizens can work together for the common good of all is to be most highly commended.

And your desire to memorialize the spirit of the pioneers through the Illinois Valley Oregon Miners' Jubilee appealed most strongly to me. I wish you well in it and through it the creation of a community spirit which will forward all worthy work in the days to come.

The kindly reception of your

people appealed to me, and I shall look forward to seeing you all again.

Your Well Wishing Friend,
William A. Brown.

Former Valley Man Close to Forest Fire

On August 4th the Page Creek district was called upon for help, to suppress a raging forest fire near Randle, Washington, in the Columbia National forest. Four packers, five truck drivers, four truck loads of pack stock, and a truckload of pack equipment were immediately dispatched to the aid of M. M. (Mel) Lewis, district ranger in charge.

Ranger Lewis, brother of Lloyd Lewis, will be remembered as having served a great many years in the Siskiyou National forest, at one time serving as ranger in the Page Creek district. We are glad to feel that we can still be of assistance to Ranger Lewis, though many miles lay between us.

Sunday, August 8th is gone, but it was an eventful day at the Bridgeview church. The old flowers which were given gratuitously by Mrs. Houk of Bridgeview and Mrs. Long of Cave City.

We opened our Revival meeting at the morning service, the sermon theme being, "Why We Need a Revival." Both the attendance and the attention were very gratifying. The baptismal service at 2:30 at the Sucker creek bridge was a very impressive service. Mrs. Mary E. Brown obeyed her Lord and was buried in baptism.

The Loyal Defenders service with Claude Pucket in charge was an interesting service and opened the way for the preaching service at 8 o'clock with our Evangelist, Miss Betty Schiefferstein doing the preaching. Sister Betty is truly a wonderful preacher. What she lacks in years is more than made up for by her matchless ability and zeal for souls. It will pay you to drive many miles to hear her.

Had a fine crowd Sunday night which included a delegation from the Community church of Cave City. Come again folks.

COMING EVENTS

As this goes to press we are nearing the close of our Revival, as our Evangelist returns to Grants Pass Monday, August 15.

We are expecting a record breaking crowd Sunday, (the high mark to date this year is 75) also a big gathering at the waters edge under the Sucker creek bridge at 2:30 when several people will be baptised.

We will conduct another dedication service soon, as some of our folk want to commit their children to God. We do not baptize or baptize infants.

ED WRIGHT, Pastor,
"The Little Church with the Big Welcome."

NON-DENOMINATIONAL Cave City

Sunday School and church services at Legion hall, Cave City every Sunday.

Sunday School at 9:45 a. m.
Church services at 11 a. m.
Rev. George L. Gray of Grants Pass, pastor. Everyone invited.

The Missionary Society of Cave City will meet at the home of Mrs. W. Floyd White Thursday, August 19. All who are interested are cordially invited to attend.

COMMUNITY CHURCH IS RECEIVING DONATIONS

Considerable lumber from the various mills and also some cash has been donated for the building of a community church in Cave City, for which donations we wish to thank all who have given.

This church is not connected in any way with an denomination or organization. It is your church for the good of this community. All christians are members.

Come and help us. We need you. Those who wish to help with labor, material, or cash may see Ortis Seat, secretary.

Geo. H. Gray, Pastor.

SUNDAY SCHOOL PICNIC

The Cave City Sunday school held a picnic dinner and swim at Seats dam last Sunday which was enjoyed by several of the young people.

Those attending were, Clarissa Welsh, Claudia Buck, Alexine George, Mr. and Mrs. Cecil Varner, Mr. and Mrs. George Gray, Charles Haines, Ralph Huber, Claude Tucker, John George, Ortis Seat, Orval Seat, Mr. and Mrs. Byron Gray and Llewellyn Walters and Charlotte Badden.

Miss Veda Harper, who has been quite ill, is much improved. She is now able to call, "Mamma, I want to eat."

If you want to know the Bible method of baptism, meet us at the Sucker creek bridge Sunday afternoon at 2:30. Pastor Ed. Wright in charge.

Sunday night will be your last opportunity to hear the Evangelist at the Bridgeview church as she is scheduled to leave for Grants Pass Monday morning.

The special songs rendered by Mrs. Floyd White and her sister, and by Mrs. Opal Varner help to make a good revival service much better.

Miss Helen Hearing of Grants Pass is visiting Miss Lois Caine of O'Brien.

Aileen Whitehead returned to her home in Cave City after a two weeks visit in Brookings.

Eldon Fraley and Roy Starbard of Brookings, Oregon, spent the week end with Mr. and Mrs. J. S. Whitehead of Cave City.

Illinois Valley Grange will give one of their old time dances Saturday night, August 14 at the Grange hall at Bridgeview.

Bud Ross and C. C. Babcock of Palo Alto, California, arrived the first of the week and will remain for about 10 days before returning south.

Miss Alexine George, daughter of Mr. and Mrs. Alex George was operated upon for appendicitis Wednesday evening by Dr. Robert McCune. She had been ill for two days.

Mr. and Mrs. I. B. Hearing and daughters Helen and Gertrude of Grants Pass and Mrs. A. Caine and daughter Lois of O'Brien spent Tuesday at Seats dam on Rough and Ready creek enjoying a swimming party and picnic supper.

The new tractor of Smith and Sawyer brothers which was purchased last May, passed through Cave City Wednesday hauling their thrashing machine. They will start thrashing at farms along Deer creek today, but expect to be finished in that section about next Monday, when they will be ready to move to other places where they will be needed.

A. R. Kelley of the Suetter placer mine on Josephine creek was in Cave City transacting business Wednesday. The new machinery the mine is putting in is nearly at the mine and it won't be long until the drag line will be on the property. It takes a road 17 feet wide to get the drag line in and this road has to be constructed as they go in.

ITALIAN DINNER SERVED

Mr. and Mrs. G. A. Peterson entertained a group of friends at an Italian dinner last Saturday evening. Those present were: Mr. and Mrs. V. G. McCasland, Mr. and Mrs. L. W. Henry, Mr. and Mrs. Art Kellert, Mr. and Mrs. Bill Martindale, Elsie Schaffer, Millie Trefethen, Maurice Sauer, George Peterson, Mr. and Mrs. Jake Gentry, Milton Akerill and the hosts Mr. and Mrs. G. A. Peterson.

After the dinner all returned to the American Legion dance.

OLD FRIENDS MEET HERE

Mr. and Mrs. Homer Mack of Los Angeles are visiting for a short time with Mr. and Mrs. Clyde Runyan. Mrs. Mack and Mrs. Runyan have not seen each other for about 20 years and both at that time taught school in Denver.

It was just by accident that they met. Mrs. Mack was in the meat market making a purchase when Mrs. Runyan happened in and although it had been 20 years since they had met, they recognized each other immediately. Needless to say it was a joyous meeting.

FIRE DESTROYS HOME

Charles Reynolds of O'Brien had the misfortune to lose his home by fire last Wednesday. The fire was of unknown origin and the house and contents a complete loss.

Mr. and Mrs. Reynolds and family left Thursday for Murphy, where they will remain temporarily at the home of Mr. and Mrs. Torgrimson. Mrs. Torgrimson is a daughter of Mr. and Mrs. Reynolds.

Forrest Johnson of Kerby was a business visitor in Grants Pass last Wednesday.

Mr. and Mrs. E. H. Kretsinger of O'Brien were business visitors in Cave City the first of the week.

Kenneth (Bull) Robinson of Kerby had his right ring finger severed at the end point last Tuesday afternoon and was given immediate treatment by Dr. McCune.

Mr. and Mrs. James Boyd and Mrs. Boyd's sister Mrs. Jim Kilmer of Roscoe, California, are visiting Mr. and Mrs. Bob Rout. They made a trip to Medford last Wednesday and said the day was the hottest of the season.

Capt. ad Mrs. G. Lemon and Mrs. Sheppard of San Francisco, Dr. McKenna and party of Los Angeles and Mrs. F. W. Schamole and daughter of San Francisco were guests for several days at Kumfy Kamp.

Mr. and Mrs. J. R. Kennedy and Mr. Kennedy's sister, Ruth Hill, returned last Monday from a hurried visit to their mother, Mrs. G. M. Kennedy of Santa Paula, California, who had been ill for some time.

John Valen of Holland, met with an accident last Saturday. It was caused when he lifted some sacks of plaster and one of them slipped, twisting his left arm and throwing it out of joint at the shoulder. Latest report was that he was speedily recovering but the arm was quite painful yet.

Who Will be Queen?
