THE FIRST CHURCH

Cave City's first church is fast nearing comple tion, and Rev. Gray is working over time to see that the structure is completed while the good weather holds out.

We should be proud of our first church in more ways than one. While it is true that it is our very first house of worship, it is non-denominational and all can

go to this house to worship. When Rev. Gray holds his first service in the new edifice, citizens of the valley should fill the house to capacity and give this splendid work the stimulus it deserves. The boys and girls of the valley can stand a little Sunday school and the older ones can stand a little more religion of their own choosing. Not that we haven't the best citizenry in the country, we have We challenge any section of the state to show us a better valley populated with a God-Fearing mass that goes about their business without police protection for we have practically none. But regardless of all this, every resident could stand to hear more words of wisdom about the Christ who died to save us from ourselves.

God speed you and your co-workers in your work. Rev. Gray, and may your church, OUR FIRST CHURCH, in Cave City, prosper with the salvation of souls.

OUR FIRE DEPARTMENT

Often it takes a cruel blow to stir us to activities. but God forbid that it should have taken two lives to make us realize that action is necessary to prepare against such emergencies as we witnessed in the valley this week.

Cave City has a volunteer fire department. good department, and the boys are doing the best | der they know how, but we desire to call to their attention that we COULD do more with added effort. and if we were of the opinion that it was absolutely necessary, quicker action could be had.

We have a truck, hose, pumper and have ordered a siren as a fire alarm. Everything is ready to be put together except a tank that will hold 250 or 300 gallons of water. NOW is the time to get these needed things and NOW is the time to complete the truck so it can go into service to stop such calamities as we had this week.

It is not our intention to criticize, Heaven forbid. On the contrary we compliment the boys on the work so far achieved. We merely would like to call to their attention, though we know it is not necessary, that immediate action for completion of our truck is necessary, and sometimes making these thoughts public stirs us to quicker action.

Let's have action, boys, and let's have it quicker

than sooner.

Josephine County Pomona Grange Meets

Josephine County Pomona Grange met at the Shan Creek Grange hall, Saturday evening, Oct. 30, with a good attendance. About 70 sat down to a very fine supper at 7:30, the Grange session opened at 8:30. George Wertz, chairman of the agricultural committee, spoke on agricultural conditions. Effie Smith gave a talk on beautifying the home grounds and winter gardening.

Senator W. A. Johnson, chair- Mill At O'Brien Now man of the Legislative committee, discussed some of the laws pertaining to the dairy industry. Mrs. Helm, lecturer, put on a very instructive and entertaining by operated by H. J. Woodbury program.

The next meeting of the Pomona Grange will be held at the Fruitdale Grange hall on New be the new manager and Mr. Year's day. It will be an all day Pruitt will be the sales manager. affair.

ED WRIGHT, Pastor.

Last Sunday was another goo lay in the Master's service in the Bridgeview Community church. Sunday school was well attended and all present enjoyed the mornng worship.

Dr. William A. Brown, founde f "The Friendly Mission" of O'Brien, came to visit in with u and as the pastor was almost sick is visit was timely. In his swee Christian manner he accepted the invitation to occupy the pulpit and gave us a very pleasing and inter esting discourse, Come again Brother Brown.

"It is better to buy a cheap bouquet

To give to your friend on this very day:

Than a bushel of roses white

To lay on his coffin when he is dead."

On Making Orange Marmalade Slice 6 oranges and 3 lemons very thin. To every pint of mixture add 1 1/2 pints of water. Boil 1/2 hour; and let it stand over night. In the morning to every pint of mixture add 1 1/2 pints of sugar. Boil until done. This will And oh, these two things I shall make about 2 quarts. (This is my sister Vertna's recipe.)

Barn Destroyed By Fire at Kerby

Tuesday afternoon, a barn ownd by Clyde Runyon of Kerby, was razed by fire. It was used as Deer Creek Grange chicken house.

The fire started during the gym period at the Kerby high school, though some of the boys said they would rather have had it happen furing the history or English class, some of the boys were in gym attire, but ran over and opend the door letting the chickens out. Some secured buckets of water, while others ran for the fire truck. The truck was out and on the way before they reached
