

Water System

merce guarantee sufficient number of pupils up to 25, to make the operation of the bus possible. This motion prevailed, and Mr. Brown said that he and Mrs. Brown would guarantee to provide funds for one pupil, if a sufficient number did not take advantage of the opportunity. He did this to insure the operation of the school bus, and his remarks were appreciated by the members, but it is evident this will not be necessary as there are a sufficient number of children who will take advantage of this kind of transportation for school.

There are at present about \$90 available for school bus transportation, this together with \$5 a month from the emergency fund, and the 10c per pupil would make the operation of the bus possible, and in the near future we expect to see the bus in operation.

A motion was made to have every member notified by mail that at the next meeting, Tuesday, November 30th, the principal matter of business will be the definite settlement of the registration bureau, and it is imperative that every member attend this meeting as this is the last day the registration bureau is to be under the present operation, unless the Chamber members desire that this arrangement continue. However, it is of such importance that every Chamber member should attend the meeting and have this matter finally decided.

Mr. Hussey introduced R. Zimmerman, who is here representing Jack Heaster. Mr. Heaster is well known in the valley, and is willing to build and operate a water system for Cave City and Kerby if a sufficient revenue can be had to make the system profitable. Mr. Zimmerman was not able to give the members much information, but a committee was appointed to go into the matter in a business like way and ascertain if such a system could be provided and give the cities good, wholesome drinking water, and at the same time provide adequate fire protection. The committee together with the board of directors of the Chamber will meet with Mr. Zimmerman Friday night and try to find a way where the water system could be built to the satisfaction of all concerned. At the same time, Ken Carson was authorized to enumerate every citizen of Cave City that a proper census of the city could be had. He is to complete this work as soon as possible.

C. F. Pruess, attorney of Grants Pass, was a guest at the meeting and Chairman Drews called on him for a few words. He said that he had always wanted to attend and was always looking forward to the time when he would have an opportunity to attend the Chamber of Commerce meeting, and he enjoyed being at this meeting and was decidedly impressed with the Chamber and its activities. He said every time he goes through the city he sees improvement, and he feels that Cave Junction citizens and the Chamber are up and coming, aggressive, and go getters. He said that we are closer to the objectives we are striving for than ever before, and complimented the Chamber on its activities.

Speaking about the possibility of the water system, Mr. Pruess said he was not sure which was the quicker way to get the system, whether by incorporating the city or not. He said there was benefits on both sides.

Mr. Pruess has taken the matter up of incorporating the city many times and is willing and ready to help us in any way he can. Mr. Hussey spoke of his interest in our city and the work he has already done to help us.

Concerning the building site for the Chamber, the committee was told to look for another location, as the one decided on had been sold. The board will meet and look for another site immediately.

A. L. Laws, Ethel Pickett and Patricia Jackson were new members taken in at the meeting.

Next meeting will be held Tuesday noon, November 30th, and a full attendance is expected.

The American Legion Auxiliary will hold their regular meeting Wednesday, December 1st. Officers request all members to be present.

Fight Is on For Membership Drive

At the last meeting of the Illinois Valley Chamber of Commerce, Dr. William A. Brown made a motion to hold a membership drive, the motion was carried and Chairman Drews appointed Ken Carson as chairman of the drive. Ken has chosen his captains and lieutenants and has divided the entire membership into two groups, the reds and blues, and the losing side will provide a luncheon for the winners.

The following list tells each member which side they are on, and they had better get to work securing members. This is going to be a great campaign, and the luncheon after it will be greatly enjoyed. Here is the list.

Kerby Grade Children Put on Program

Last Monday night the pupils of Kerby grade school gave a splendid program consisting of readings, musical numbers and plays. Everyone in the east acquitted themselves with honor.

The costume though home made were in keeping with the times and each member taking part should be congratulated for their good work.

The principal, A. L. Laws and his staff of teachers had a big task directing the children and they deserve a word of praise for doing such a fine job.

Those taking part in the program are as follows: America, all present. Thanksgiving Day, Byron Slack. Redwing, harmonica and ac-

cordion duet, Lloyd Morrison and Elwood Hussey.

Indian Dance, First and second grade.

The Garden club met last Friday afternoon at the home of Mrs. C. L. Schumacher and assisting the hostess were Mrs. George L. Martin, Mrs. De Etta Scott, Mrs. A. N. Collman and Mrs. Paul Hein. Mrs. J. Villiar presided as chairman of the program. Plans were made for the Christmas meeting which is an annual affair at the home of Mrs. Leo Martin at Bridgeview. Mrs. Raphael Leonard, Mrs. George L. Martin, Mrs. A. A. Johnson sang a song and were accompanied by Mrs. Charles C. Babcock at the piano. Mrs. Lucius Robinson gave a reading and explained the legend of the creation of corn, as told by Henry Longfellow in "Hiawatha." Mrs. Leo Martin and Mrs. Butler read poems. After the program, games were played and later refreshments were served.

Saturday night, Nov. 20, an old time dance, which was sponsored by the Grange, was held. There was a large crowd, all having "the time of their lives," so if you were not there you certainly missed a lot of fun. There was both modern and old time dancing so everyone was satisfied.
