### Kerby Basketball Team Has Full Schedule

The Kerby Basketball team has a full schedule and the boys are determined to turn in good scores in every game.

Tomorrow night, Friday, Dec. 10th they play Grants Pass at the Kerby gym and request all interested to be on hand to boost for the home team.

The yell leaders have been going through the yells with the students and they expect them to put pep into the plays in the future.

Saturday, December 11th, the team goes to Crescent City to play. On December 17, they play Central Point and Grants Pass on December 22. These games are all away from home.

### Gathering of Cones Can Be Made Profitable

A great many requests are made to the Forest Service and also the Chambers of Commerce for information regarding the collection of cones. Many people who are familiar with sugar pine trees are delighted with the large cones that they find along the highways and requests are continually coming in for quantities from one to two or three hundred.

Anyone that is interested in gathering cones for such purposes would do well to make known to the Chambers of Commerce at both Cave Junction and Grants Pass, and to the Forest Service, their name and address and other means of prompt communication, so that these requests may be complied with.

This is a splendid opportunity for 4-H club workers or Boy Scouts to raise funds for the conduct of their work in their organizations.

G. E. Mitchell,  
Forest Supervisor.
