TRAILS OPENED**

Trails going into the back country on the Page creek ranger district are being opened up rapidly and are in fine shape, reports Ranger M. M. Nelson, of the Redwood Ranger station. It is anticipated that all trails below snow line will be in good passable and serviceable condition by the end of this week. Work at the higher elevations is being delayed due to heavy snow.

Trails in the Baldface and Canyon creek countries have been maintained as well as the trails in the Sucker creek and Illinois river watersheds, which have been completed up to snow line. The Illinois river trail from Briggs creek to Bad mountain lookout has been completed and is in very good condition.

At the present time there is a crew of men working on the trail to Kerby peak, and a crew working on the Oregon Caves and Grayback trails. Work on these trails will probably be completed within a few days.

The Happy camp road is not open to through traffic, nor is it open for travel to Bolen lake. There is a crew working on the road at the present time with anticipations of having the road open to traffic by July 1.

The trails this year are in the worst condition they have been for years due to heavy snows and high wind, causing many large trees and snags to fall.

B. M. Peterson has joined the force of the Quarantine Station.

Miss Elizabeth Mellow is spending her vacation with relatives and friends at Crescent City.

Mr. and Mrs. George L. Martin and Eileen Whitehead made a trip to Grants Pass last Friday.

Mr. and Mrs. J. B. Jones and son Bobby arrived from Los Angeles last week and are visiting at the home of Mr. and Mrs. I. K. Drake on Caves highway.

Miss Marie Roesch of Aberdeen, South Dakota, accompanied Betty Krause, and Ethel McDonald of Rapid City, and Mrs. Albert Anderson of Philip, South Dakota, as far as Eugene for a visit after spending last week visiting Victoria Jaspersen. The others proceeded on to South Dakota.
