and without—too much grief— They grabbed a piece of that air land And held it,—shock and sheaf So they'll be leavin' us 'fore long

We're mighty sorry too— But if they think its for the best— 'Taint much thar we can do Except to bid them both God speed

And try our best to make The partings, not too tearful When they leave for Tule Lake

And so dear Geo and Rachel We're gathered here tonight To give you our best wishes For a future, fair and bright We're going to miss you heaps and heaps

We hope you'll miss us too For tho' you go to make new friends

You've lots of old ones too We're asking you to take along, from us,— A little gift

A small reminder of the days That passed without a rift We hope that when you see them you'll think of us, the while

'Cause we'll be thinkin' of you too

And tryin' hard,—to smile.

Democratic "Who's Who" To Be Published Soon

Democratic committee members in charge of printing the program for the 1938 Oregon state democratic picnic have launched a campaign to publish a booklet of complete democratic party information, according to Floyd Dover, picnic treasurer, and Dwight Bunnell, advertising manager. In view of many changes in County Central committees and with a large number of democratic candidates seeking election, such a booklet will be a valuable piece of literature for all party workers to have. President Roosevelt, James Roosevelt, and Postmaster General James A. Farley are each to be presented with a specially leather bound copy.

NOTICE OF SCHOOL ELECTION UPON QUESTION OF INCREASING TAX LEVY OVER AMOUNT LIMITED BY SECTION 11, ARTICLE XI, STATE CONSTITUTION

Notice is hereby given that an election will be held in Union High School District No. 1 of Kerby, Josephine County, State of Oregon, at school house in said school district for the purpose of submitting to the legal voters of said district

the question of increasing the tax levy for the year 1938 over the amount limited by section 11, article XI, of the Constitution of Oregon.

The reasons for increasing such levy are:

Increased school expenses of \$996.51, the furnishing of additional class room facilities to conform to state standards which are to be financed by negotiable interest-bearing warrants to the amount of \$4,200.00, \$840.00 of such amount to be retired yearly for 5 years.

The amount of tax in excess of the 6% limitation proposed to be levied for the said year is \$2,004.51.

Also to authorize a supplementary district levy of 5.5 mills (\$5,281.79) to provide transportation for Union High School pupils, making the total amount of tax to be raised in excess of the 6% statutory limitation, \$7,286.30.

The amount of tax, in excess of the 6% limitation proposed to be levied for said year is \$2,004.51.

Dated this 20th day of July, 1938.

Cook with COLD

Your electric refrigerator does more than keep things cold. It does cold cooking, too. In it you can make delicious frozen and jellied salads, and wonderful home made ice cream and water ices. You can regulate it for quick freezing or slow, so that it will fit in with your meal-getting schedule nicely. Cold cooking is very inexpensive, too. The refrigerator does it at the same time that it keeps all perishable foods safely cool, and you know it does that for only a few pennies a day. Find out how easily you can have one.
Your Electric Refrigerator
1. Is fully automatic, and needs no attention. Just plug it in.
2. Maintains a temperature of 50° or below in the storage compartments.
3. Makes delicious frozen desserts and salads in the freezing trays.
4. Supplies plenty of pure, sparkling ice cubes for cold beverages.
