THE JUBILEE

Next week the Second Annual Miners' Jubilee will get under way, Saturday, September 3rd will be the opening, when the queen will be crowned and the big Queen's Ball at the American Legion hall will start the events going.

We are going to have hundreds of visitors this year, much more than last year. Grants Pass is apparently taking a great interest in the Jubilee this year, and you cannot talk to anyone but who knows all about it and expresses the desire to attend. Literally, hundreds say positively they will be here.

It is imperative that the citizens of the valley in general and the business men of Cave Junction in particular, outdo themselves in welcoming our visitors. The business men should all decorate their business establishments and provide every facility to make the guests of the city comfortable. If the day is warm, smart business men will provide ice cold drinking water in places easily accessible. Those who have rest room accommodations should be willing to extend them to all visitors and have signs so they can be easily seen. These little acts of courtesy do not mean much at first sight, but put yourself in a strange place and visualize these little courtesies and see if you would appreciate them.

Our little city does not have the facilities to take care of a huge crowd that will be here, and we should all go the limit to do the best we can under the circumstances.

Decorate by all means and make all visitors feel they are welcome. This sort of hospitality will not be overlooked and the good word that will go out after the Jubilee will be worth many times more than the effort we put in.

THE HIGH SCHOOL ELECTION

We do not have the opinion of County School Superintendent Wardrip at the present writing, but we have been reliably informed that the last election of Union High School District No. 1, was not a legal election and must be held over again.

The board will have to meet and decide on date of next election, and we hope to be able to publish the notice next week. This, of course, is regrettable, but under the circumstances there is nothing that we can do about it. The election must be a legal one in order to let the district make any improvements, and if there is any question as to its legality, it is better to have another election than to get the district tangled up in legal affairs.

It may delay the improvements contemplated, but in the end it will be safer and better to have it right than to have a cloud of suspicion that there might be a flaw as in the last election. Should legal proceedings be brought, it might embarrass the board and the whole district. Besides, if the election was not according to the statutes, bonds issued by the district would be valueless and no buyers.

Let's don't start blaming anyone for what has happened. It's water over the dam and gone. Let us be constructive and try to help. At the next election, if you are interested in the high school, go out and vote and let the school board know what you want.

DEER CREEK NEWS

The Home Economics committee of Deer Creek grange served the lunch at the G. J. Welch auction sale on Thursday.

Doyle Hamilton has recently purchased a hay grinding and chopping mill and as soon as he gets his power plant ready for operation he will be in the market for custom work.

Deer Creek grange wishes to announce that Number 39 is the winning number on the quilt that was raffled off. If not claimed by September 3, the second number drawn will claim the quilt.

C. E. Pollock has bought the Harry Powers place above Dry-

den. The Pollocks have been residing on their farm on upper Deer creek the former Fred Van Buskirk place.

Warren Tuttle has leased the G. J. Welch farm adjoining his place on Thompson creek. All local men who have been out on fires for nearly a month returned home Friday.

Central school is undergoing a cleaning and repairs in readiness for the opening on September 5. The old desks have been smoothed cleaned and re-varnished some new blinds, old ones repaired, new shelves for books, new hat and coat hooks, new erasers, the well and pump repaired, floor oiled and a very much needed recitation bench. New maps are also being purchased.

Lowell Roberts, Dolores Santos, Edward Santos, Don Brooks, Mildred Norman and Thelma Morton, all members of the Deer Creek 4-H calf club made a two-day stock judging tour as far south as Hilt, California. Through the courtesy of Mrs. Anton Brovold the trip was made possible for this club. Several other clubs from both Josephine and Jackson counties were in the caravan which was in charge of County Agent O. K. Beals and the county agent from Jackson county. The judging done on this trip will decide the teams who will do judging at the state fair.

Last Saturday evening the Deer Creek grange had a hot dog and watermelon feed. The Grangers and friends gathered early in the evening and hot dogs were cooked over an open fire outside. Benches and tables were brought outside for the occasion, after which the Grange held their regular meeting, winding up with an amateur hour program and old time dance.

State Juvenile Matron Mrs. Slack and Mr. and Mrs. Mills from Bridgeview were visitors. Mrs. Slack outlined the formation of a juvenile grange which was enthusiastically received by the little folks as well as the grangers.

Only 40 Gallons of Goats Milk Delivered

Local goat raisers apparently did not think much of the proposition of Zottola Bros. Cheese factory in Grants Pass, to make a test run of goats milk cheese. The factory asked for 200 gallons to make the test run, but only received 40 gallons.

The firm had offered to make the trial run by arrangements with County Agent O. K. Beals. One of the reasons for the run was to learn if there was enough goats milk available in the county to make steady production profitable. The trial run was a great disappointment to all concerned.

Payne School Pupils to Attend Spence

The Payne school in the Illinois valley will suspend operations for this year. County School Superintendent H. H. Wardrip reported Tuesday. The suspension was decided upon by a ballot of school district members.

A prospective insufficient number of pupils is the reason for closing the school Mr. Wardrip said. Payne pupils are expected to attend Spence school.

4-H CLUB MEETING NEXT SUNDAY

A very interesting 4-H club meeting was held at the Mayfield

home near Holland last Sunday afternoon. Barbara Byrnes was elected president to fill the office left vacant by Henry Mellow who has gone to California. Bob Wendt was elected vice-president. O. K. Beals, county agent, was present and gave a very fine talk on cattle judging.

The next meeting will be on August 28th at the R. T. Baldwin home. Mr. Beals will be there and will demonstrate how the calves should be clipped and otherwise prepared in order to be ready for exhibition at the fair. This will be a very instructive meeting and all members are urged to attend. Also any grownups who are interested are welcome at the meetings.

Frank Mellow has taken over the leadership of the club and is to be commended on the interest he takes in the boys and girls club work.

THEATRE CARDS

Manager Rout of the Cave City theatre has provided a card questionnaire which he is asking all patrons to fill out. Please ask for one as you purchase your ticket.

The questionnaire asks what kind of pictures you like. Would you like to have some of the good old timers reissued. How many in your family. Do you receive your program every month, and several other questions that will help Mr. Rout give his patrons better service.

In order to help him, please fill out this questionnaire. It will provide better pictures that you want to see. Besides this, Mr. Rout is giving several tickets to those who fill out the questionnaire. Each week he will call the names of those who will receive free tickets. Watch for your name to appear on the monthly program. If yours is there call at the box office and receive free tickets. There will be five names each month on the program. Get your program and see if your name is there.

A Marvelously Good Place to Meet and Dine

Always at Your Service

Open from 5:30 a. m. to 1 a. m.

WHERE THERE'S AN Electric Refrigerator

THERE'S ALWAYS FOOD FOR A MIDNIGHT SNACK

ELECTRIC REFRIGERATORS with their large storage capacity enable you to buy food in quantities at great savings. Meats, vegetables, fruits... all food keeps perfectly with never any wastage. Besides having better food and more of it (always something tempting for those midnight snacks) you actually save money enough to pay for the refrigerator itself. Get one NOW

The California Oregon Power Company

Mr. and Mrs. Frank Guthrie and Mr. and Mrs. Chic Stevenson and son, Gerald, of Ora Grande Mine, California, were in Cave Junction this week, visiting friends and attending to business matters. Both families are former residents of Cave Junction.

Mr. and Mrs. H. L. Nutting of Medford, stopped in Cave Junction for a short while last Friday before continuing on their way to Brookings where they visited friends over Sunday. Mr. and Mrs. Nutting are parents of Mr. and Mrs. O. E. Jones, former residents of this city.

Milt Akerill received a painful cut on the right arm from a crosscut saw last Wednesday.
