

NOTICE OF SCHOOL ELECTION UPON QUESTION OF INCREASING TAX LEVY OVER AMOUNT LIMITED BY SECTION 11, ARTICLE XI, STATE CONSTITUTION.

Notice is hereby given that an election will be held in Union High School District No. 1, of Josephine County, State of Oregon, at the school house in said school district, on Saturday, October 8th, 1938, at 2 p. m. for the purpose of submitting to the legal voters of said district the question of increasing the tax levy for the year 1938 over the amount limited by Section 11, Article XI, of the Constitution of Oregon.

The reasons for increasing such levy are:

Increased school expense of \$1,164.01, the furnishing of additional class room facilities to conform to state standards which are to be financed by negotiable interest bearing warrants to the amount of \$4,200.00, \$840 of such amount to be retired with interest at 4 per cent annually for five years.

The amount of tax in excess of the 6% limitation proposed to be levied for the said year is \$2,173.01. Also to authorize a supplementary district levy of 5.5 mills, (5,281.79) to provide transportation for Union High School pupils, making the total amount of tax to be raised in excess of the 6% statutory limitation \$7,454.80.

Dated this 12th day of September, 1938.

Attest:
EFFIE M. SMITH,
District Clerk.
LUCIUS ROBINSON,
Chairman board of directors.

ally fine reports of the mass meetings we held September 7th and 12th in the interest of the bus for transporting young people to

Again this morning I have gone Agin this morning I have gone over both reports in your issues of Sept. 8th and 15th; and I wish to say that they show fine editing.

Will you pardon me this further word? In listening in on the conversations about the proposed budget and the increase in taxes which will be needed to provide transportation for high school pupils; I discover that the 5 mills increase is opposed on the score that it "doubles taxes."

That is a mistaken idea. In looking over my tax receipt for this year I find that taxes are now 36 mills on the present property valuation, for purposes of taxation.

Now 5 mills is less than 1-7th of 36 mills. Consequently the increase will be something less than 15 per cent.

Last year to secure the bus, alone with other people Mrs. Brown and I paid for two pupils whose parents were unable to meet the charge of 20c a day.

I have figured out the cost of the 5 mills in increased taxes and compared it with the cost to us of caring for those two pupils.

If Mrs. Brown and I should have to pay for two pupils as last year it would amount to TWO TIMES OUR TOTAL TAXES!

As that young man said the night of the mass meeting in Kerby:

Why should a few bear such a heavy charge when it amounts to such a little sum when included in a general budget supported by all?

Yours Very Sincerely,
William A. Brown.
