## MEETING "PROSPERITY"

Our campaign aimed to show how "Prosperity" can be brought to all of us is causing considerable thought among some of our readers who have started their scrap book and are going to follow through. There has been many queries concerning the book, "T. N. T.—It Rocks the Earth," by Claude M. Bristol, the theme of which opened our eyes to the great power existing in every man and woman. In view of the fact that no distributor in Southern Oregon carries this book, we have made arrangements with the publishers to get a limited supply of this result getting book which may be obtained for one dollar. The book will make your study of this interesting theme much clearer, and we positively know anyone who follows through with this theme, gets what they want.

Good friends, this theme is one of the best tonics we know of. It works in many different ways, and those who are trying to practice it get results in many different ways.

We, who are presenting this thought are not infallible. We can stub our big toe and go "haywire" just as fast and just as often as anyone else. Please do not get the idea that we are putting ourselves on a pedestal just to get knocked off. We know some of our shortcomings, not all of them, but when we find them out, honestly, we do try to remedy them. Otherwise we couldn't succeed with this theme any more than those who never heard of it.

It is good for us to "take stock of ourselves" once-in-a-while. We learn a lot of things that it would take a long time to find out otherwise. When we start "taking stock," ask yourself, what good deed did I do today? What did I do today that should not have been done. Have I used my fellowman in the same spirit I would like him to use me? What could I have done today that I didn't do? What could I have done to make someone else a little happier?

Oh, there are so many questions we could ask ourselves, and if we did it conscientiously, I think we would be a little ashamed of our record. Why not start using this theme for the betterment of everyone concerned? It would be the finest thing in the world if everyone in this valley could all be friendly and good neighbors toward each other.

There was a "good neighbor" party held here this week, at least that's what we would call it. And there were many comments on the good it was doing. There should be many more such parties where all can get closer together and perhaps understand each other more. That is part of this theme, understanding. It's a wonderful work, and while we are not preachers of any set doctrine, we know those who follow this thought through, will be helped, both financially and mentally. We know it, because we have been helped and we have proven its worth.

Let's start today, "taking stock" of ourselves and get on the road that leads to "Prosperity." It's a good, big, wide road and everyone is welcome. This road is not a straight and narrow path—It's a flexible road, full of interest and beauty for those who want to use it. Your own conscience is your guide and rule.

Last Sunday, July 9 was another great day at the old church. Sunday school was well attended and was followed with a Bible study by Leonard Beard on the subject "The Purified Life." The entire sermon hour was given over to this study and was very instructive and helpful.

We were delighted to have Mr. and Mrs. Bell of Long Beach, California, as visitors at the evening service. They are friends of the pastor and are members of the California Evangelistic Association. The Bells are Preachers and we found much enjoyment visiting and talking about "The King's Business." Mrs. Bell preached at 8 o'clock and brought us a timely message. The truck from the CCC camp brought a load of men and also some lumber to build our new seats for the church.

You will not be disappointed if you visit with us next Sunday night. We will have special music and a sermon that will be different. Hear Gene Vance on the Saxophone and Mrs. Florence Hallock as she sings the gospel. The sermon theme will be the second in a series of sermons on the 24th Chapter of Genesis entitled "Winning a Bride."

The little church with the big welcome.

Ed Wright, pastor.

### KERBY UNION SUNDAY SCHOOL

## SHIRLEY TEMPLE IN TECHNICOLOR

In answer to thousands of requests from her fans Darryl F. Zanuck presents Shirley Temple in Technicolor in "The Little Princess," 20th Century-Fox's screen version of the famous classic which opens at the Cave City theatre on Sat.-Sun., July 15-16.

"The Little Princess," which, according to advance reports, has been acclaimed not only Shirley's finest picture, but one of the truly great films of all time, was directed by Walter Lang from a screen play by Ethel Hill and Walter Ferris. Gene Markey was associate producer.

Set in one of the most colorful periods of English history, when Queen Victoria's reign was drawing to a close, the beloved Frances Hodgson Burnett story casts Shirley as what the dimpled star herself describes as a "backwards Cinderella."

When her devoted and wealthy father, an officer in the Grenadiers, goes off to fight in the Boer War, he leaves the happy child at Miss Minchin's Exclusive School For Girls. Later, when he is reported dead—a bankrupt—the cruel Miss Minchin takes away all of Shirley's pretty clothes and turns her into a pathetic little slave.

Added attractions are: March of Time and News of the Day.
