Prophets

According to ancient English legend, rain on St. Swithin's Day, July 15, means rain for 40 days. The folk lore of every country imbues animals, food and insects with the gift of foretelling rain. Here are a few of the more popular superstitions:

Siriusly Inclined

The problems of the entire dog kingdom appear to weigh heavily on Rover's saddened brow. Perhaps he realizes that on Tuesday, July 25, Sirius, the Dog star, is scheduled, according to superstition, to bring four or six weeks of hot weather—the dog days which Rover, and 40,000,000 other pooches, dreads.

Another "sure-fire" indication of rainfall, fishermen to the contrary, is when "Through the clear streams the fishes rise, and nimbly catch incautious flies."

Government weather experts look upon kitty as nothing more than a household pet, but according to die-hards, rain is a two-to-one bet when "Puss on the hearth, with velvet paws, sits licking o'er her whiskered jaws."

Mrs. Leona Weed, formerly Miss Leona Lillis of this city left for her home in Grants Pass last week after being a guest at the home of Mr. and Mrs. Jimmy Miller for several days.

Mr. and Mrs. Homer Mach of Los Angeles were visiting with Mr. and Mrs. W. C. Runyan for a few days. Mrs. Mach formally taught with Mrs. Runyan in the Denver city schools. She is now a teacher in the Los Angeles schools. The Machs saw a great deal of improvement in Cave Junction and vicinity since they visited here two years ago.

SELMA NOTES

Mr. and Mrs. E. A. Wick left for Cascadia to attend the Baptist summer conference this week. During their absence Virgil Dexter will conduct services.

Mrs. Vera Embly, who has been visiting friends in the valley for the past few weeks, has gone to Southern California where she will spend some time.

Eud Shultz and son Wayne returned from Crescent City where they spent several days on pleasure and business.

Mr. and Mrs. Bill Tolin have as guests Mr. and Mrs. Clarence Wells and sons Davey and Richmond of Los Angeles. Mr. Maggrel, Mrs. Tolin's father, is also visiting his daughter.

Recent guests at the home of Mrs. Abbie Tolin were Mrs. Jim Shaw and family and Mr. and Mrs. G. A. Shaw of Grants Pass. On their return home Mrs. Tolin returned to Grants Pass where she visited for several days.

Mr. and Mrs. Lester Archer entertained with a buffet supper recently on their ranch. Honored guests were Mr. and Mrs. Jack Plumlee and family, Mrs. Mildred Shultz, Mr. and Mrs. Fritz Krauss and family and Mr. and Mrs. L. F. Krauss and sons.

Mr. and Mrs. Bob Bottel of the Quarantine station have visiting them Mr. Bottel's brother, Wm. Bottel, his wife and son Edwin, from Elsinore, California. They expect to remain two weeks.

HAYRACK KILLED HENRY
From a Spokane paper dated July 18, we found this notice:
Otis Henry, 56, farmer in the Wauhatch district southwest of Spokane, died from a broken neck after a haying accident today. Deputy Sheriff Emil Vecchio said Henry was thrown against a bar timber when a team hitched to a hayrack on which he was standing bolted. Mr. Henry was a brother of Orville Henry and Amy Hussey of Cave Junction. Mrs. Henry sent the notice to Orville, who is working at Green Springs.

K. C. Hamilton of the Cave Junction Auto Court was transacting business in Grants Pass last week end.
