Roy Displays Athletic Prowess While Making In "Old Caliente"

A rousing adventure film, with pleasant interludes of music, is "In Old Caliente," playing Wednesday and Thursday at the Cave City Theatre. Roy Rogers, Mary Hart, and George "Gabby" Hayes have the leading roles.

The film is splendid entertainment for an entire family, roves swiftly, is resplendent with photographic beauty, full of comedy, and all in all, one of the finest pieces of outdoor entertainment to grace the Cave City Theatre screen for a long time.

The time of the story is the 1850's, the place American California. Roy is seen as an employee of a wealthy landowner. A group

of bandits hold up a caravan of gold shipment which Roy is in charge of, and suspicion falls on an American wagon train encamped nearby. The train is led by Scout George Hayes, an old friend of Roy's.

The two combine to clean up the gang, and furious action thrills fill the screen when the two pals set to work. Lovely Mary Hart, as usual, is the feminine inspiration of Roy's heroics.

The three leads—Rogers, Miss Hart, and Hayes—turn in excellent performances.

Mrs. Martin Sachse, chairman of the local Health association, with the help of Mrs. Clem Sauer, president of the P. T. A., and Ashton Poerst, school principal, arranged the meeting.

Harold Shogren of Grants Pass showed several pictures which were enjoyed by everyone after which refreshments were served by the P. T. A.

Townsendites Hear Song Composed by Member

The Townsend Club held its regular meeting Tuesday evening at the home of Mrs. Doty on the Caves highway; attendance was very good.

Discussion during the business meeting centered on 1940 membership cards and the number necessary to order. At the close of the discussion President Hance introduced a Townsend song which he himself had composed.

Following adjournment the attendance was pleasantly surprised to find that Mrs. Doty was preparing refreshments, two tables being spread with snow white linen and being graced with delicious food. After much enjoyment the club passed a cheering vote of thanks to the Dotys for a lovely evening.

Miss Henry, who is living at Klamath Falls, came over for the week end to visit her father and brother, Les Henry sr and Les Henry jr, and with her sister Margaret, as a guest at the home of Mrs. Millie Trefethern in Kerby. The shower was given on rather short notice but was a success in every respect as many lovely gifts were received and the evening was spent in dancing and playing cards. Refreshments were served late in the evening.

Miss Henry was a student in both Kerby grade and high schools and her fiancé is Joe Shiero of Klamath Falls.

WATER OF NEW CITY WELL GETS STATE HEALTH UNIT OK

Elwood Hussey reports that he is in receipt of a communication from the state health department which contains a report on a sample of water sent in from the new city well for test purposes. The water was found to have a high bacterial count, not unusual for new wells according to assurances of the testers, but was found to be perfectly safe for consumption. The high count will decrease as heavier pumping takes tlare and the well ages.

Mr. and Mrs. Leland Rexford and son Gordon and baby Janice Dee of Klamath Falls spent a few days of their vacation visiting with Mr. Rexford's parents, Mr. and Mrs. M. B. Rexford of Cave Junction. The visit was saddened when Delbert Rexford was taken suddenly ill and had to be rushed to the hospital in Grants Pass where his condition is pronounced critical. Friends and the family were grateful that Leland was present to make the hurried trip for medical treatment for his brother.
