Surprise Birthday Party for Mrs. Opplé

A most enjoyable evening, and one long to be remembered was that of Saturday, June 1st, when about 20 of the neighbors dropped in on Mr. and Mrs. E. L. Opplé, the occasion of Mrs. Opplé's birthday, and the party a complete surprise.

Useful gifts, lovely birthday cards and beautiful flowers were

tendered from her friends in token of their esteem and affection.

When the excitement was somewhat past, "pinochle" became the diversion of the evening. At the appointed time, small tables were arranged, very dainty in linen, china and silver, for the refreshments of delicious sandwiches, pickles and coffee, followed by a generous serving of strawberry short cake piled high with whipped cream. Then came the "birthday cake," a work of art, in white decorated in pink rosebuds and gleaming candles. Mrs. Opplé as honored guest, was provided with the

first serving, and asked for a speech. She rose to the occasion beautifully, telling her friends how happy they had made her, and how much she appreciated their thoughtfulness and the demonstration of their affection.

Secretary of State Earl Snell is sending a state examiner here Thursday, June 20th to examine applicants for drivers of automobile and issue licenses and permits to drive. The examiner will be at the chamber of commerce bldg. from 9 a. m. to 4 p. m.
