Oregon Dairying Position Favorable

The dairy industry ranks first in Oregon's agricultural picture, with more than 250,000 cows furnishing milk and cream for basis of the industry. The state department of agriculture says that in the manufacture of dairy products, Oregon ranks with the rest of the 48 states as follows:

WHEN WORMS ARE SCARCEST-WISE CHICKENS SCRATCH HARDEST

Nothing is scarcer, when you patronize us, than disappointment. We consistently please you.
