W.A. Johnson Legion Post Attends Empire Meet Elects New Officers

County Judge W. A. Johnson returned Sunday from an executive meeting of the Redwood Empire association at Santa Rosa, held August 3rd.

The judge was enthusiastic over the results of the meeting and the things he learned while there. Travel is off 10 per cent, he states, on account of the war, business executives did not feel they could leave their work. Industrial executives have had their vacation cancelled on account of increased factory work, and the people in the lower brackets of income, have had their incomes decreased by federal taxes.

Secretaries of chambers of commerce and travel agencies will hold their annual meeting at the Oregon Caves Chateau September 20. Clyde Edmondson, manager of the Redwood Empire association, will attend this meeting and has agreed to stay over another day and will meet with executives of the Grants Pass chamber and county officers the next day.

The board of the Redwood Empire association definitely fixed October 25 and 26 as the date for their annual convention at Ukiah.

The American Legion will give a dance Saturday, August 10 in the American Legion hall, Cave Junction. Kerby High School orchestra will play.

Farewell Party Held For the Galeno Family

Mr. and Mrs. Robert Balzke recently gave a lovely farewell party to the Galenos, and their many community friends welcomed the opportunity to gather and let them know their deep regard for the family. Over 30 guests were present on the spacious veranda of Waldo Motel. A beautiful china flower bowl in delicate pink shade, the gift of neighbors and friends, was presented to Mrs. Galeno in a few well chosen words spoken by Mrs. William A. Brown. Mrs. Galeno responded in her usual gracious manner.

Delicious refreshments of ice cream and cake were served, and all united in a God-speed to the Galenos, so highly esteemed by all Illinois valley folks.

Illinois valley and the O'Brien community in particular suffers a severe loss in the departure of Mr. Galeno and family to make their new home in Oakland, California, where he is now located in business. Although the Galenos have not lived in the valley so many years, yet they have greatly endeared themselves to their many friends who deeply regret their leaving. Mrs. Galeno and daughter Eleanor are musical, Mrs. Galeno with her violin and Eleanor on the piano; and they have always responded so willingly to requests for music. Eleanor, who graduated with highest honors from Kerby high school in June, and Fred Jr., a student also, will be greatly missed from the circles of the young people of our valley.

Loyal Defenders led by Freda Kees gave a very interesting talk on the Resurrection of dry bones taken from Ezekiel. For church service Mr. Sutwin of Grants Pass gave an inspiring message on "Our Hope in God," taken from Psalms. Next Sunday night we will have a guest speaker from Grants Pass. All are cordially invited.
