Water Company Lays More Main Pipes

Cave City Water company has completed laying water mains north along the highway to the Ben Sconce place, and soon water will be going through the new pipes to new homes.

As fast as pipe can be secured the mains are being laid, and it is hoped that enough pipe will be available to connect all those desiring to get onto the water system.

For the first time this year, a few water pipes were frozen the first of the week, when the thermometer dropped to about 30 degrees, some say it went to 28. Anyway a few pipes had to be thawed out, but no damage done.

Mr. and Mrs. Harlan James of Grants Pass were in the valley Wednesday evening. Mr. James is a Courier Linotype operator.

ANOTHER HEU FOOD AND GIFT SALE

Send the News to your friends. It is almost as good as a letter from home.
