BUY A POPPY IS SLOGAN SATURDAY

An appeal to all patriotic citizens to wear a poppy on Saturday was issued today by Milt Akrill, Commander of Glenn Morrison Post of the American Legion. Describing the poppy as a badge of patriotism, Commander Akrill asked that it be worn by everyone in the city during the annual observance of Poppy Day to show a united front for America.

In his appeal the Legion Commander said:

"The poppy is the memorial flower of our comrades who fell in France. We wear it to honor their memory and to aid those who were disabled, their families and the families of the dead. Wearing the poppy is our individual way of

showing that we remember and are grateful for the sacrifice made in the cause of patriotism.

"Symbolic of life sacrifice for America, and made by men who have sacrificed health and strength for the country, the memorial poppy is a true badge of patriotism. With our country again facing grave dangers, we need to wear the badge and to wear it with sincere devotion to the things for which it stands. Therefore I am appealing to all patriotic citizens of Illinois Valley to join with the American Legion and the American Legion auxiliary in the observance of Poppy Day on Saturday, May 24, by wearing an American Legion memorial poppy."

The poppies, which have been made at Roseburg will be distributed throughout the city Saturday

by volunteer workers from the American Legion auxiliary. All money contributed for the flowers will go into the Legion and auxiliary welfare funds.

MARVIN CROSS SELLS RANCH TO MILLER

A deal was consummated recently whereby Mr. and Mrs. Marvin Cross sold their 40 acre ranch, located on the Takilma road between Bridgeview and Takilma, at the junction of the Dick George road, to Mrs. Ethel Miller of Los Angeles. Mrs. Miller has been here some time living in the old Brooks home just off the Caves highway about a quarter of a mile from the junction.

As soon as the deal was completed, Mr. and Mrs. Cross moved to the home occupied by Mrs. Miller and the latter took possession of the ranch. Marvin is employed on the state highway and will reside in his temporary home until he finds permanent quarters.

Mr. Miller will soon join his family here and they will start to improve the ranch and put in crops as soon as possible.
