Pay Delinquent Personal Taxes AT ONCE!

CHAPTER 389, Oregon Laws, 1941, effective June 14, 1941, requires that we issue warrants for collection of delinquent taxes on personal property.

Warrants are to be filed with the County Clerk, and entered in the Judgment Docket.

The amount of such warrant shall become a lien upon the title to any real property owned by the person against whom the warrant is issued.

The effect shall be the same as though the people of the County had recovered judgment against the person or persons so charged.

The process of issuing, serving and docketing warrants covering delinquent taxes on personal property shall be mandatory.

Therefore it is our unavoidable duty to insist that all delinquent personal taxes be paid without further delay, or satisfactory arrangements made to liquidate same.
