ple's needs, rather than the life
of meaningless gaiety she would

Northerner. The film is alive with
powerful drama, and yet, in proper
places, it is touched with bright
comedy.

Dorothy's Dinette Gets Nice Letter

Three people recently stopped
for dinner at Dorothy's Dinette
and they wrote her a letter on re-
turning to their home and asked
for some information indicating
they were greatly pleased with the
valley, and on closing the letter
they said:

"The dinner and coffee served
to us at your cozy dinette was the
best on our entire trip, and the
little lady who waited on us was
the nicest ever."

Quite a nice compliment for
Mrs. Smith and the little lady who
waited on the tourists.

Kerby Health Unit Met at Sachse Home

The July meeting of the local
Health unit was held at the home
of Mrs. Martin Sachse on Thurs-
day, July 17. Miss Ganiere of the
county health department was
present and reported that the pro-
jector would be available for show-
ing pictures early this fall. The
Kerby unit hopes to have it soon
after school starts to show pic-
tures at some evening program.

Plans for a pre-school clinic
were discussed and a tentative date
set for August 15th. Those inter-
ested may watch the paper for the
date and time of day and place.
It is quite important that children
entering school for the first time
get the "check up" which these
pre-school clinics offer all free of
charge, also vaccination and diph-
theria immunization will be given
if requested. This is also open for
children of the Illinois Valley who
are not in the Kerby district if
time permits.

The loan chest was displayed
and the first articles were placed
in it and are ready for loaning, in
cases of sickness where the neces-
sary things are not always on
hand. The chest is in charge of
Mrs. Sachse and in her keeping.
Names of people who have some

sick room necessities that they will
loan in emergency were listed.
The next meeting will be held
on August 21 with any one inter-
ested in the improvement of com-
munity health invited.
