Pacifists Take Heed!

This administration is not much different than any other administration when in a jam. We are in a jam now, just the same as Lincoln was during his administration. The President needs encouragement. Don't "rock the boat" while in deep water.

The Christian Science Monitor recently very aptly and appropriately published the following. Comparisons are odious, but this story expresses a situation that all should take to heart, especially those who would crucify the President for what he is doing in a case of emergency. The story:

"Some gentlemen from the west were excited and troubled about the commissions or omissions of the administration. President Lincoln heard them patiently and then replied: 'Gentlemen, suppose all the property you were worth was in gold, and you had put it in the hands of Blondin to carry it across the Niagara river on a rope; would you shake the cable, or keep shouting to him—'Blondin, stand up a little straighter—Blondin, stoop a little more—go a little faster—lean a little more to the south? No, you would hold your breath as well as tongue, and keep your hands off until he was safe over. The Government is carrying an immense weight. Untold treasures are in our hands. We are doing the very best we can. Don't badger us. Keep silent and we'll get you safe across.'"

BIDDY GOES TO WORK EARLY

America will need millions of eggs this winter, as part of the "defense food" production. Kathryn Hines, pretty 4-H club girl, shows biddy that soldier hours will be expected. Many poultry producers follow this practice of turning on electric lights in laying houses early in the morning during winter months. The practice compensates for the fewer hours of daylight and gives hens a full day of eating and laying.

COMMUNITY CHURCH NOTES

Sunday school attendance was 48 including three visitors. Collection was \$2.32. Miss Joyce Payne was a new member in the Busy Bees class and the girls were glad to have their former teacher, Mrs. Lee, back with them again. Every one had studied her lesson, which pleased the teacher very much. It was surely fine to have the Lees again in the congregation. Two birthdays were recorded.

Mrs. George Gray and Mrs. L. Sherier. Next Sunday a new class is forming, composed of high school juniors and seniors, also younger married folks, with Mrs. W. A. Brown as teacher, and a goodly number is expected to be there to fill the choir corner.

A number were absent on account of illness, including Mrs. Hicks, and Georgeen, Paul Sherier and others.

Rev. Gray preached from the theme "Salvation by Faith" taking his text from Ephesians 2:8, "For by grace have ye been saved through faith." Miss Grace Iversen sang a solo, "His Yoke Is Easy" and has in her voice much of beauty and promise. Next Sunday Mrs. Cross is to sing.

The missionary society which met with Mrs. George Hicks last week has a large attendance, 20 ladies present, and quite a bit of work was done. Those who were there were Mesdames Arrant, Burch, Cross, Champney, Darger, Doney, Earley, Gray, Hill, Hussey, Hines, Hicks, Iversen, Larsen, Mills, G. C. and L. Sherier, Seat, Vernon and Wagstaff. The next meeting is on November 13, is to be with Mrs. Bud Doney.
