KAY FRANCIS REVEALS SOUL OF "PLAY GIRL"

In a double feature program coming Saturday and Sunday two great pictures will be shown.

"Play Girl," starring Kay Francis in the title role, lays bare the soul of a glamorous but mercenary woman of the world and reveals her inherent goodness and sentimentality.

Sophisticated comedy blends with strong, human drama in this stirring chronicle of the spectacular career of a fascinating fortune hunter who cleverly pries money out of rich men by threats of breach of promise suits and other unscrupulous devices.

With her youth gradually slipping away, the adventuress takes under her wing a beautiful young girl, trains her to follow in her footsteps, and forms a unique partnership which proves highly lucrative. But a crisis arises when the girl falls in love with an intended victim who wants to marry her. She runs away, leaving the young man to his fate at the hands of the artful fortune hunter.

How the latter's inherent sentimentality, which she always has strived to control, suddenly floods her soul and arouses her to the

most noble act of her tarnished life, provides a heart-stirring climax.

James Ellison, in the romantic lead, and Mildred Coles, as the devastating decoy, head the featured supporting cast in "Play Girl".

SECOND FEATURE WILL BE "ALONG THE RIO GRANDE"

Depicting a colorful phase of the Old Southwest, when fast-shooting outlaws brought death and destruction on both sides of the Mexican border, "Along the Rio Grande," coming Saturday and Sunday, brings young Tim Holt back to the screen in another western thriller. Betty Jane Rhodes has the romantic lead, while Ray Whitley and Emmett Lynn return to their favorite roles as Holt's loyal buddies.

Tim Holt, a young cowhand, is asked by his boss, to deliver \$6,000 in cash to the Pecos bank, which holds a note for that amount. Doc Randall's gang takes steps to pick up the easy money. The old rancher is forced to send a message, requesting Tim to return quickly with the money. But Tim doesn't receive the note until he has already deposited the money, and when the bank president refuses to hand it back, Tim and two companions are obliged to hold

up the bank to retrieve the sum. A witness to the unusual hold-up is a pretty cafe singer.

When Tim and his friends arrive at the ranch, they find their boss has been murdered by Doc Randall's men. The sheriff arrests the three boys for the bank robbery.

Tim and his pals break jail and join up with Randall, who is convinced that they can qualify as members of the motley crew after they are identified by the cafe singer as the escaped bank robbers.

From this point on the film is said to hit a furious pace. The Randall gang continues to attempt further depredations, but each new crime is always mysteriously thwarted by the Pecos sheriff — for the simple reason that Tim constantly tips off the law officer in advance.

Mrs. W. T. Sherman was transacting business in Grants Pass the first of the week.
