

STOVE PIPES NEED LOOKING AFTER

Stove pipe and stove pipe elbows will be obtainable only in limited quantities next winter. If you own or use heating stoves, you should give your stove pipes the best of care all summer, suggests Ruth E. Crawford, home demonstration agent. Guard against rust, repair small holes, and then paint before storing the pipes for the summer.

Sandpaper and fine scouring powder will usually remove rust. Asbestos furnace cement which is available at hardware stores is satisfactory for filling small holes and scratches. A good coat of heat resistant paint will protect the pipe against rusting in the future. Wrap pipes in heavy paper and store for the summer in a dry place. A dry attic is usually a good place to store them. This is just another way in which the homemaker can protect what is on hand through better care and repair.

Tuberculosis Can Be Whipped With Early Diagnosis

"Follow the Example of the Armed Forces—Get a Chest X-Ray" is the slogan of the 1943 Early Diagnosis Campaign to fight tuberculosis.

Persons who are unable to pay for chest X-rays may get them free of charge through the county health association.

Seven men from Josephine county have been rejected by the armed forces because of tuberculosis.

Investigation of your own condition may prevent you from being as unfortunate as these men were.

Early diagnosis of tuberculosis, plus prompt treatment under competent medical supervision, speeds recovery and checks the spread of the disease.

Tiredness, lack of energy, loss of appetite and weight and a cough that hangs on may be danger signals of tuberculosis.

What You Buy With WAR BONDS

Battle of the Atlantic

A sinking smokestack, a great air bubble, an empty lifeboat, all that is visible of a torpedoed tanker, all that is evident of the hard work, the savings we put into War Bonds to build this tanker, to load it with 50,000 gallons of high octane gas.

Our money is still safe but the tanker is lost forever. Another and another and another must be built to take its place.

The men who sail the seas are giving their lives to win the Battle of the Atlantic. We are asked only to lend our money.

Sunday School—10 a. m.

The Sunday School lesson was "Facing Persecution Today." Golden text was "For it is better, if the will of God be so, that ye suffer for well doing, than for evil doing." (I Peter 3:17).

Rev. Gray's sermon was on "Baptism and Communion." His text was from the Bible "Go ye therefore, and teach all nations, baptising them in the name of the Father and of the Son, and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you and lo I am with you always, even unto the end of the world." (Matthew 28).

Mrs. Clara Dick sang a beautiful solo.
Rev. Gray plans to have a baptismal service Sunday afternoon. All are welcome to attend these services.

SCHOOL TEACHERS ENJOY VISIT IN VALLEY

Mrs. R. M. Calhoun, living in one of the cabins at the Esterly mine, had as her guests for the past week, her sister, Miss Lela Peterson; Miss Margo Wright, and Miss Rose Hoosier all teachers from Heppner, Oregon. During their visit they enjoyed a trip down the Illinois river to the Black Beauty chrome mine which was a new and interesting experience to them. They also enjoyed seeing the Esterly home and hearing the early history of the rich gold mines of this valley, which they stated, would add a bit of color and romance to an Oregon history course.

They left Saturday evening for Portland where Miss Peterson and Miss Wright will be employed as recreational directors in the city parks for the summer months. Miss Hoosier returned to Eastern Oregon. They all agreed that the Illinois valley was a wonderful place to spend a much longer vacation.
