**CAVE JUNCTION COMMUNITY CHURCH**

Geo. H. Gray, Pastor.  
Sunday School ..... 10 a. m.  
Morning Worship ..... 11 a. m.  
Attendance for the 10 o'clock service at Community church was good last Sunday, although a number of the regular pupils were absent for the Fourth of July celebration.

After the usual opening exercises and singing, the Sunday school hour was taken over by the Bible school for a short program followed by a work exhibit, after which the children were given their handiwork to take home with them.

The Bible school enrollment was 43, and the average daily attendance 31.

Mrs. Rubie Nicholson wishes to take this means to thank all those who helped to make our Bible school possible, teachers, assistants, parents, children, those who helped financially, and all those who were behind us with their prayers.

In the worship service, Rev. Gray took for his scripture reading, I John 3:1-8, 2:15-17, using for his text I John 3:3.

Mrs. Clara Dick sang a beautiful solo entitled "Harbored in Jesus."

There will be choir practice Friday at 8 p. m. Thursday, July 13, the Missionary Society will meet at Kumfy Kamp dining room.

**VICTORY HAS A PRICE...**

To a fighting man, that price may be death. Those of us at home, who cannot match such sacrifice, money, put into War Bonds, seems a small price. We must double our efforts, and buy twice as many bonds, during the FIFTH WAR LOAN.

**THE OLD JUDGE SAYS...**

"The men overseas don't mince any words about the way they want to find this country when they come marching home... do they, Judge?"

"They certainly don't, Herb...and they shouldn't. They're doing a masterful job fighting over there to protect our rights and they have good license to expect us to protect theirs back here at home. One thing they're mighty clear on is their stand on prohibition."

"Their position on that subject was stated very emphatically in a poll taken recently

among American service men in England by the British Institute of Public Opinion. When hundreds of men were asked point blank how they would vote on prohibition, 85% of them stated, in unmistakable terms, that they would vote against it. There's no doubt about it, Herb... the men overseas don't want any action taken on that subject while they're away."

"And they're 100% right, Judge, because I know how I felt when I came home after the last war—only to learn that we had been over there fighting for so impractical a thing as Prohibition."
