Burner Oil Users... WAR ON WASTE!

Oil fights for freedom... every possible drop must be conserved for essential war use. Here's how you can do your part to save and serve.

7 Practical Ideas for "Waste Chasers"

1. Avoid overheating. 65° is recommended.
2. Weatherstrip doors and windows.
3. Close off unused rooms.
4. Make sure thermostat is accurate
5. Close fireplace damper when not in use.
6. Lower heat at night or when away.
7. Keep humidifiers full.
