**This Is a "Political Ad" That
Dares To Be Different**

Political, in that I am a candidate.
Different, in that I firmly believe our
own Josephine County will benefit.

The following well known men have agreed to serve as an advisory board (in much the same manner as the volunteer members of the budget committee) and I have been promised their advice and assistance on matters of importance to this county.

These Men Are:

FRANK MASHBURN HERMAN SCHMIDT
BEN HILTON E. C. (TED) COATES
EUGENE H. TARDY EUGENE BROWN
W. T. MILLER

Two other men have agreed to join this committee, but due to positions they now hold can not, because of legal restrictions, permit their names to be used. (They are postmasters).

If by your vote on November 7th you elect me County Judge I will consult with this voluntary board in order that this county may have the benefit of their experience and their counsel.

DEFEAT PROHIBITION

That's "The Joker" that "slipped in" the Burke Bill. Yes, "The Joker" says you cannot serve guests at your club or even in your own home without severe penalty. Don't let "the dregs" put it over again in 1944 as they did in 1918.

Beat "The Joker". Vote 313X NO

THE OLD JUDGE SAYS...

"The war stories I like best, Judge, are the ones by the special writers overseas who live right with our troops. They give us a better idea of how our men react to things going on over there and back here at home."

"I agree with you, Sam. I never miss one of those stories in the papers or magazines. And there's one thing those writers seem to agree on no matter where they are stationed with our men...and that is that the men who have left their homes and families to go

away and fight this war don't want to come back and find that prohibition has been put over on them while they were away...either nationally or locally. They have heard about the attempts being made and they resent it bitterly."

"I agree with them, Judge, even though I don't happen to drink myself. Furthermore, I don't think it's fair for us at home to be making any major changes while 10,000,000 of our fighting men are away and have no chance to express their opinions."
