THE AMERICAN PEOPLE CAN BE PROUD

of the job they are doing in their fight against infantile paralysis

► THEY CAN BE PROUD

that they are giving every victim of infantile paralysis—regardless of age, race, creed or color—the chance to fight for recovery and the hope of going HOME AGAIN.

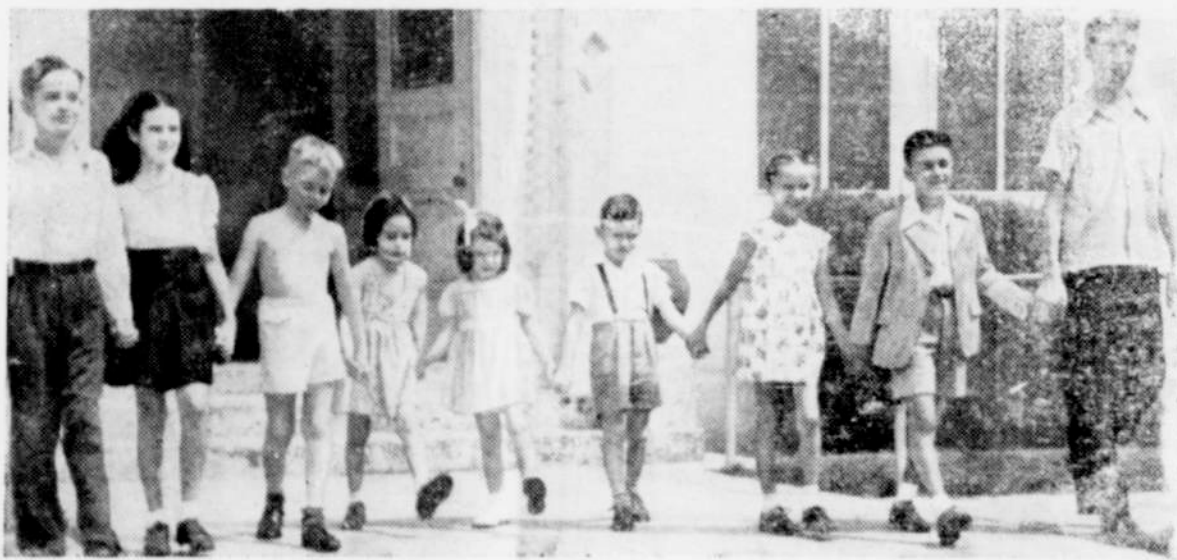

► THEY CAN BE PROUD

that, with their dimes and dollars for ammunition, the nation's finest scientists are waging war against this dread disease in 50 laboratories and institutions—a war which will go on until the fight is won.

► THEY CAN BE PROUD

that they are making it possible—through their contributions to the March of Dimes—for every infantile paralysis patient to receive the best of hospital and medical care.

9 GOOD REASONS DESERVING YOUR HELP

Nine swell reasons to give to the March of Dimes. These youngsters walking out of Miami's Jackson Memorial Hospital won their battle over infantile paralysis last year, thanks to dollars and dimes given to the Fund-Raising Appeals of The National Foundation for Infantile Paralysis. The March of Dimes this year begins January 14 and ends January 31, in celebration of the President's Birthday.
