The Once Over

THE SAILOR GETS A BREAK

Before long the navy will cease to be outdressed by the army.

The navy is being recostumed, with those historic upside-down pants, sailor collars and demi tasse hats doing a fade out for snapper and more modernistic clothing.

Tradition is a fine thing and the old-time sailor suit was good enough for countless stout-hearted Americans to fight and die in, but nobody could feel swankily tailored in it.

Some people say, however, that the garb was a fine thing: It made the wearer fighting mad.
