

HOUSEHOLD HINTS

An old tennis racket makes a mighty good carpet beater.

Wrap gold and silver evening bags and slippers in dark-colored cloth to prevent tarnish.

Before stuffing fowl wipe the inside thoroughly dry to prevent the stuffing from being soggy.

If you have a favorite piece of jewelry which cannot be worn because it discolors the skin, try this: After cleaning it, give the back a coat of colorless nail polish.

Put spices, seasonings, baking powder, cream of tartar and the like on a cookie sheet and keep on a shelf in the kitchen cabinet. When cooking or baking, take out the cookie sheet and make your choice.

Grease glass baking dishes before putting food in them to bake and they will be much easier to wash.

Immediate patching of worn spots may add years to the life of a roof if it is, on the whole, still in good condition. It is, however, usually poor economy to do a patchwork job on a roof that is well worn.

Do not throw away used wax jelly tumbler covers. Wash in cold water, dry them, and place in an empty tin can. When the can is filled, they should be melted together to form a cake and covered. Thus it will be kept fresh and as good as ever to be used for next season's jelly jars.

If your nose sometimes fills up with stuffy transient congestion—put a few drops of V-A-T-R-O-L in each nostril. It quickly reduces congestion and makes breathing easier in a hurry... gives grand relief from sniffling, sneezing, stuffy distress of head colds. Follow directions in the package.

XZIT SOOT ERADICATOR

A TEASPOON of XZIT sprinkled on the fire regularly will remove soot from chimneys, fireplaces, furnaces and stoves and keep them clean. Soot wastes heat—is always a fire hazard.

Try XZIT. It's safe; easy to use. Is excellent in an emergency for putting out chimney fires.

Keep a cleaner house and get all the heat you pay for. Ask for XZIT at your nearest store or dealer.

XZIT Soot Eradicator—used by industry for more than 20 years.

Watch Your Kidneys!
Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!
