

THANK YOU

May I take this means to express my sincere appreciation to those who were so kind in sending flowers and gifts, and in paying visits during my recent stay in the hospital.

LEGION STORY—

(Continued from Page One)

At the beginning of the meeting, Staff Sergeant Weldon Stoffer and Sergeant C. C. Southerland of the Army Recruiting Service presented motion pictures of combat operations in the recent war. These combat bulletin films are the same as the series shown to troops overseas.

Guests at the meeting included Hugh Gould, Josephine County Service Officer, veterans counselor of Grants Pass, and R. J. Goodhart, chief of the insurance division of the Veterans Administration offices in Portland.

What The Legion Auxiliary Is Doing

On Wed. night June 19, the Auxiliary met at the Legion Hall for joint initiation and installation services.

The meeting was called to order by Com. Banner and turned over to the Auxiliary for initiation services. The following members were initiated; Edith Farlien, Bertha McCracken and Alberta Yarbrough.

Cmdr. Newberry of the Medford Post, complimented the Auxiliary on the excellent manner in which the initiation was carried out. Many thanks to the drill team for their willing and untiring efforts in this matter—Ladies Take a Bow.

President Emily Kellert, then turned the meeting back to the Legion for their initiation services. It would not be quite fair not to give our Legion comrades a big hand (even in the ladies' column). Comrades take a bow.

The Auxiliary then took charge for their installation services. President Kellert called on the District President Marie Wilcox to officiate as installing officer. Again the ladies did themselves proud. A big hand and special thanks to Mrs. Wilcox for her aid.

At the conclusion of the services a number of visitors from Medford and Grants Pass were introduced. An invitation to supper was extended to all.

Many thanks to the always faithful ladies for a grand supper.

O'BRIEN WOMAN'S CLUB MEETS

The O'Brien Woman's Club met Friday, June 14 at the home of Mrs. Edna Hoskins.

Part of the program was postponed to give a stork shower to one of the new members, Mrs. Phyllis Hall who was the recipient of many beautiful gifts.

Following the shower a highly successful White Elephant sale was held.

The members voted to have a picnic in July to include their families and friends. Full details will

be given at the next meeting. At the conclusion of the afternoon's activities, Mrs. Hoskins, assisted by Mrs. Audrey Lemmon served delicious homemade ice cream and cake.

LOOK to Greyhound first for

PERSONALIZED ATTENTION

To most people the phrase "Greyhound Service" means one thing above all others—the friendly, *personal* interest Greyhound folks take in helping their customers with every travel problem, in doing everything they can to assure each passenger a most enjoyable trip.

Greyhound's reputation for personalized service is no accident. From the very beginning, careful consideration for the welfare of

its passengers has been the keystone of Greyhound policy. Drivers, agents and all personnel are carefully chosen and thoroughly trained to carry out this policy.

Today, Greyhound is rightly proud of the fact that a child, an elderly person, or people who have never travelled before can enter a Greyhound depot and be sure of getting safely, pleasantly to their destinations — *completely cared for all the way by Greyhound.*
