WATCH YOUR STEP

When you are out in the fisherman's Paradise which is Josephine county, it would be well if you were to give serious thought to the serious consequences which might result from a carelessly thrown match or cigarette. We who are so close to the resources which have come to be ours for the taking must not shirk the responsibility of preserving them. A little thought, a little care, and strict observance of the rules will keep Oregon Green for ours and future generations.

PROCLAMATION

WHEREAS, the unregulated use of certain forest areas is, in the judgment of the State Forester, a menace to life and property due to conditions tending to cause or allow the rapid spread of fires which might occur or because of the inaccessible character of such areas due to the lack of suitable roads, and WHEREAS, upon the showing of the State Forester it appears to me to be necessary to close to unregulated use the following areas designated as: AREA NO. R-1: — All National Forests in Oregon and adjacent areas protected by the United States Forest Service as follows: Adjacent to Siskiyou National Forest: Secs. 29 and 32, T. 31 S., R. 11 W.; T. 34 S., R. 11 W.; T. 35 S., R. 11 and 12 W.; T. 39 S., R. 12 W. and Ts. 40 and 41 S., R. 9 W. NOW, THEREFORE, I, Earl Snell, Governor of the State of Oregon, by virtue of the authority vested in me under the provisions of Sec. 107-210, Oregon Compiled Laws Annotated, as amended by Chapter 252, Oregon Laws, 1945, do hereby proclaim the unregulated use of the above-described areas to be unlawful and do hereby close said areas and the same shall be subject to use only upon condition that entrants shall comply with all of the following requirements or conditions: 1. To refrain from smoking while traveling in such areas. 2. To secure a permit issued by the forester or a fire warden before building a campfire other than at improved, designated and posted campgrounds on such areas. 3. To have as a part of his or her equipment when using campfires, except when traveling as a pedestrian, and/or camping at improved, designated and posted campgrounds, tools as specified by the forester suitable for extinguishing fires. This proclamation shall be effective from and after the 1st day of July, 1946, and shall remain in full force and effect until and including the 31st day of December, 1946. Done at the Capitol in Salem, Oregon, this 26th day of June, 1946. /S/ Earl Snell, Governor; attest, Robert S. Farrell Jr., Secretary of State.

THEATER STORY

(Continued from Page One)

Double Feature
Wednesday and Thursday
July 17 and 18
Behind Green Lights
China Sky

Absorbing is the saga of emotional adjustments between the selfish and unselfish loves of two women for the hero in "China Sky." Randolph Scott, Ruth Warrick and Ellen Drew co-star.

The story revolves around two doctors in a hospital in a remote Chinese village which is defended by a stout band of guerrillas. Dr. Gray Thompson and his devoted co-worker, Dr. Sara Durand, are idolized by the villagers. When Gray returns from a trip to America bringing his bride, Louise, the villagers are disappointed because they had hoped he would marry Sara.

Louise is emotionally weak from the start. She hates everything about the place. She cannot stand up under the Jap bombing raids, and at the same time develops an insane jealousy of Sara. There, in the close confines of the village hospital, the two women fight for the man they both love.
