Glenn Morrison Post No. 70 installed its new officers: George Bonner, commander; Les Henry, vice commander; A. C. Hamrick, adjutant; E. Y. Taylor, finance officer; Maurice Sauer, chaplain; Ray Evans, sergeant-at-arms.

New paint jobs blossomed forth on the exteriors of three local edifices: Jack Hout's Shell station, Art Drews' garage and W. F. Darger's Associated station.

Here's ONE thing that doesn't cost more today...

a Greyhound ticket costs LESS!

Fares in Oregon now down to 1½¢ per mile!

YES, it is unusual, in these days of "sky-high" prices... but Pacific Greyhound fares in Oregon have actually been reduced, because the service is being increased!

As Oregon communities grow, as Pacific Greyhound adds more service, more and more people ride... and Greyhound's cost of operation per passenger goes down. And Greyhound passes this saving

on to the people... in the form of the lowest fares in Oregon, and more frequent service than ever!

Actually, these fares have been reduced in advance... before increased patronage has yet developed. This is because Pacific Greyhound knows, intimately, the transportation needs of Oregon communities... and has faith in their future development and progress.
