Do you know the worst com-
bination in the forests? We'll tell
you. It's a match in the hands of
a careless person. Last year more
than 200 forest fires were started
in Oregon by the combination of
fire and carelessness. Thousands
of acres of valuable forests were
burned. This year let's break up
that bad combination and Keep
Oregon Green.

NOW! Faster, Finer Trains EAST THROUGH CALIFORNIA!

If you are planning to go East on business or pleasure
have you thought about going East through California?

On round trip tickets to Chicago, New York and most
other eastern cities you can go one way through Califor-
nia for not 1¢ more railroad fare than you'd pay to go
via other routes.

For a fast, direct trip you can go East from San Fran-
cisco on one of our Overland Route trains. From Los
Angeles we have fine trains, too, to the East.

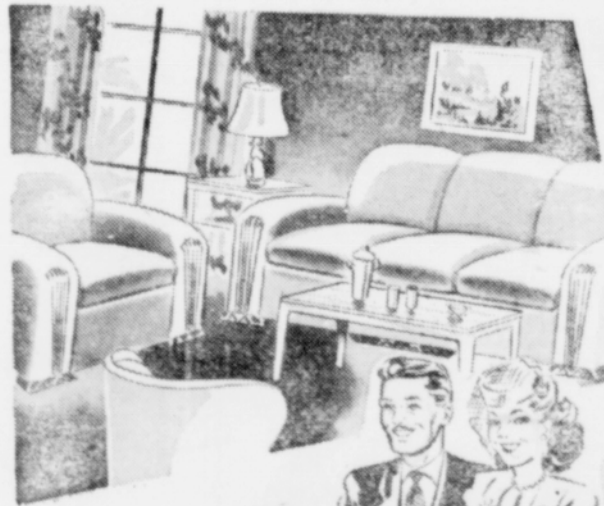

All of our trains from California to the East are now
much finer and faster. There are luxurious Pullman
trains and speedy, comfortable trains with chair cars
and tourist sleeping cars offering economical travel.

Convenient overnight train service from Southern
Oregon to San Francisco. Your local Southern Pacific
agent will be glad to make all arrangements for your
trip East through California.
