Serve Waffles for Any Occasion!
(See recipes below)

Versatile Waffles

One of our simpler foods, the waffle, can be served in an amazing variety of ways. Add a few variations to the original waffle recipe and you have a wonderful new breakfast treat or Sunday night supper special. Instead of a sauce, serve it with fresh or stewed fruit or a fluffy whipped cream and you have an extra-delicious dessert. Or, if you prefer, top it with creamed chicken, ham a la king, and presto! There's your luncheon dish all ready.

Waffles are hearty fare, and that's pleasing to those of you home-makers who have trouble giving the family enough nourishment on nippy days. Let them fill up on waffles in all their variety, and the whole family will be pleased as punch.

You won't be able to run through all these different suggestions I'm giving for waffles immediately, so clip the ideas and save them. They're wonderful to have on hand for the different occasions I've just mentioned, and your menus—whether for snack or breakfast—will never fall into doldrums.

Peanut butter waffles are tasty and have a softer crust than the ordinary waffle. They're breakfast fare, but may be served for a light supper with soup 'n salad.

Peanut Butter Waffles. (Makes 7 waffles)

- 6 tablespoons peanut butter
- 6 tablespoons fat
- 2 eggs
- 1 1/2 cups bottled milk
- 1 1/2 cups flour
- 3 tablespoons sugar
- 3 teaspoons baking powder
- 1/4 teaspoon salt

Cream peanut butter and fat together. Add beaten eggs and blend well. Add milk. Sift flour, measure and sift again with sugar, baking powder and salt. Add milk mixture to dry ingredients. Mix until smooth. Pour onto hot waffle iron and bake 3 to 5 minutes.

A good basic waffle recipe may be varied in countless ways. The mixing is easy and need take but a few minutes.

Plain Waffles. (Makes 6 waffles)

- 1 1/2 cups sifted all-purpose flour
- 3 teaspoons baking powder
- 1/4 teaspoon salt
- 2 eggs
- 1 1/2 cups milk
- 6 tablespoons melted butter or fat

Sift together dry ingredients. Beat eggs with an egg beater until light. Add milk and butter. Add this to sifted dry ingredients and beat until smooth. Bake on waffle iron according to manufacturer's directions.

Cheese Waffles: Add 1 cup grated cheddar cheese to above recipe with melted fat.

LYNN SAYS: Don't Forget Salads During Winter

Green vegetable salad gains distinction when you add a few savory herbs to them. Sprinkle such seasonings as chervil, thyme, basil, tarragon and dill on the salads before serving, and watch appetites perk up.

Salads should never be placed on the table until you are ready to eat them. They lose freshness and crispness rapidly in a warm room.

LYNN CHAMBERS' MENUS

- Ham a la King on Waffles
- Green Peas with Mushrooms
- Molded Carrot Salad
- Beverage
- Baked Apples

Chocolate Waffles: Add 2 squares of chocolate, melted, add 1/2 cup of sugar and 1 teaspoon of vanilla to batter. Serve with whipped cream, for dessert.

Rice Waffles: Reduce flour to 1 1/2 cups, and add 1 cup of cold cooked rice to batter with the melted butter.

If your family is fond of waffles, then they're bound to like raised waffles for a change:

Raised Waffles. (Makes 9 to 12)

- 1 tablespoon sugar
- 1 teaspoon salt
- 1 tablespoon butter
- 1 1/2 cups scalded milk
- 1/4 yeast cake dissolved in 1/2 cup lukewarm water
- 2 cups flour
- 2 egg yolks
- 2 egg whites

Add sugar, salt and butter to milk. When lukewarm, add dissolved yeast cake and flour. Beat well. Let rise overnight (make evening before if you want waffles for breakfast). Add well-beaten egg yolks, then stiffly beaten whites. Bake in waffle iron.

Now, here's a grand variety of sauces that may be used with waffles for different occasions. These, of course, may be made up ahead to save time before serving, and kept stored in jars under refrigeration.

Hot Fudge Sauce. (Makes 1 1/2 cups)

- 2 squares unsweetened chocolate
- 1/2 cup water
- 1 1/2 cups corn syrup
- 1 teaspoon vanilla extract

Cook chocolate and water over direct heat for 2 minutes, stirring constantly. Remove from heat, add corn syrup. Simmer for 10 minutes, stirring occasionally. Add vanilla.

Ice Cream Sauce. (Serves 10 to 12)

- 1 cup heavy cream
- 1 egg
- 1/4 cup granulated sugar
- 1/2 cup melted butter
- 1 teaspoon vanilla

Beat egg until light, add to sugar and beat well. Fold in melted butter and mix well. Fold in whipped cream and vanilla, then place mixture in refrigerator tray to chill.

Butterscotch Sauce. (Makes 1 pint)

- 1 cup sugar
- 1/4 cup corn syrup
- 1 tablespoon butter
- 1/2 pint thin cream

Cook until a soft ball forms when tested in cold water. Remove from fire and serve hot or cold. Thin with cream, if desired.

Fish, meats and vegetables will be more palatable if they are first marinated before being tossed with the other salad makings. Frequently two dressings may be combined to give extra sparkle to salads. Use french dressing mixed with mayonnaise or sour cream dressing, for example.

If you want to dress up vegetable and meat or fish salads, use carrot curls, black olives, green stuffed olives, Roquefort cheese, stuffed celery hearts, potato chips and pickle fans.

Woman's World

Use Custom Tailoring to Make Boys' Clothes Very Masculine

By Ertta Haley

FOR THE mother who has a son and daughter both close in age, it's somehow a temptation to sew for the little girl and let the boy wear just whatever happens to fall his way. Mothers wait that little can be done to make a boy's clothing look attractive, but actually this isn't the case at all.

Naturally you avoid like the plague anything whimsical or "cute" in the small boy's clothing. If he's the little man his Dad thinks he is and should be, the boy won't like the clothing, and will prefer dragging out his denims and sweat shirt.

Fortunately for the busy mother, it's preferable to sew all boys' clothing on the machine, both for reasons of appearance and sturdiness.

Good quality material, smart and appropriate styling, and good workmanship are prime assets in boys' clothing. All three of these are found only in the more expensive clothes, so the home sewer has a distinct advantage when she makes the garments for nominal cost at home.

For a source of material, she can first look about the home. Some of Dad's things perhaps can be reconverted, but only those materials which look well on the boy should be used. Material may also be purchased outright, but it may be far

Careful Tailoring Makes...

more economical to look through remnants first to see if there is anything available, as there frequently is.

Select Styles That

Boys Will Like

If your little boy's inspiration has been his big brother who more recently was perhaps a sailor, let that be your cue in selecting a style for the boy's playsuit. This can be made in a denim which is so right for rough and tumble play, and the style of the regular sailor suit may be followed exactly.

Pants may be long or short depending upon the season for which you anticipate the most wear, but most boys four years old and over will probably insist on long pants.

Make the trousers so they will lace in the back, "just like real sailor pants." Place stripes on the cuffs of the long-sleeved jacket, and if the boy desires, an insignia on the sleeve.

To simplify dressing in this type of suit, you might find it more practical to have buttons high on the shoulder.

This model also can be made with a striped top and solid color pants. Here again, select materials that will take the rough and tumble wear that little boys will give the suit. Another adaptation of the suit above is to make pants with straps that fold over in the back so that the boy can button them himself.

Smart Boys' Clothing.

Use light or dark pants with a contrasting colored shirt in regulation style. Short pants will be more practical for warmer weather.

Corduroy is a good fabric in which to carry out the latter of the above ideas as it will wear well and launder easily. Boys find it very wearable.

If you thought that your son's snow suit would last the winter and now are finding that it just won't do, then hurry out to buy some water-repellent, windproof cloth, for snow suits are easily made at home.

You also will want to buy some warm wool flannel for lining in a

New Bag Fashion

Jonny creates this bag for the thrifty woman who wants high fashion at a low price. It is triangular in shape, and fashioned of black and white plastic, highlighted with three tortoise shell wings and panier handle. Side zipper makes it easily accessible.

dark solid color or a dark plaid and some elastic knit to use at the ankles and wrists. Any variations of color may be tried, but the dark colors relieved by touches of bright elastic knit will not show soil so easily.

Instructions Given

For Making Snow Suit

Snow suits should be made roomy enough for the active play in which children engage, but they should neither bag nor sag, as this makes the child uncomfortable. A draw string may be used at the waist, or, if you prefer, an elastic band that nips in the waist may be inserted.

Careful tailoring and fitting will produce an admirable little snow suit for the small fellow, and if you work well, the stitches and other details will well repay your effort in their smart appearance as well as durability.

If you buy some elastic knit for anklets and wrists, you might go a step further and construct a matching helmet which will keep the youngster's ears warm while he plays in the cold. Mittens of the same material are practical, too. Attach heavy cord connecting the mittens, and slip the cord into the sleeves and around the back so mittens won't get lost when he removes them.

For indoor play, work smocks serve the little lad nicely. These may be cut long and loose to allow for freedom of action, and they should be made to button simply a little to one side. If made long enough, they save paints, clay and crayons from soiling the trousers, and offer a fine solution to keeping the lad's clothing in a neat state while he plays indoors.

Thrifty Tips

No scrap of material in the home, however small, should ever be wasted. Use these ideas for quick reference on what to do with your old materials.

When sheets wear out, use the unworn parts for tea or dish towels. They work beautifully since they are soft and absorbent as well as lint-free. Other ideas for using sheets are diapers, baby bands, dustcloths, pillow cases and small luncheon cloths or dollies. Use attractive edging or stitch them decoratively if you want to get fancy.

Towels wear out in the middle, but the ends are usually perfectly good. Use these for washcloths and crochet decoratively around the edges, and you'll always have enough of this item which is hard to obtain right now. These good ends of heavy toweling may also be used for filler, for pot holders and covered with chintz or oilcloth.

If light summer frocks are no longer wearable, use them for little girl dresses, or make dainty hankies for them out of this soft, easy laundering material.

Fashion Flashes

A ski jacket that fits smoothly around the hip line has the usual drawstring type belt line, but goes dress parade with a vividly red, gold and black Scotch plaid dickey inserted in the jacket. The jacket itself is beige colored ski cloth material, featherweight but impervious to blasts of wind and weather.

Ski suits are lightweight and water-repellent. They are practical, too.

A navy blue ski jacket has a deep square outline yoke with a simulated diamond quilted effect, each diamond point flashing with a red stone. A fourth jacket of butter beige color has a shoulder strap of deep blue attached to a decorated pocket. The pocket is decorated with felt flowers.

Tuck-in jackets on ski and skating clothing will make them very comfortable.

Laugh and Drive Gloom Away

Worth Hire

Old Lady—Son, can you direct me to the savings bank?
Boy—Yessum, for a quarter.
Old Lady—Isn't that mighty high pay, my boy?
Boy—No'm, not for a bank director.

A Requisite

"Does the law give a man the right to open his wife's letters?"
"Yes, but not the nerve."

Versatile

"Yes," said the explorer, "once I was so hungry that I dined off my pet parrot."
"What was it like?"
"Oh, turkey, chicken, wild duck, plover . . . that parrot could imitate anything."

Give a woman an inch and she becomes a ruler.

Faithful Model of Sir Drake's Ship Inch Long

Among the outstanding exhibits of glass-case ship models is the Hampshire collection in the Institute of Marine Engineers in London, says Collier's. The life work of one man, it consists of 13 miniature reproductions of famous vessels built on a scale of 1 inch to 64 feet, or about one-eighth of the usual size of decorative ship models.

Most unusual of them all is a faithful reproduction of Sir Francis Drake's three-masted Golden Hind, which is one inch in overall length, or so small that it can be hidden behind a half dollar.

Chopsticks Sole Survivor Of One-Finger Piano Pieces

Of the thousands of one-finger piano pieces that served as parlor tricks during the 19th century, the sole survivor is Chopsticks, says Collier's. Since it was first published in Glasgow in 1877, this commonplace little tune has not only become popular throughout the world but its theme has been borrowed by such outstanding composers as Liszt and Rimski-Korsakov.

HELP BUILD UP Cold Resistance

with HIGH ENERGY TONIC

If you catch cold easily—because you lack all the natural A&D Vitamins and energy-building natural oils you need—you may be amazed how Scott's Emulsion can help build energy, stamina and resistance. Try it! See why many doctors recommend this good-tasting, high energy, food tonic. Buy at your druggist's.

HOT FLASHES?

Women in your "40's"! Does this functional "middle-age" period peculiar to women cause you to suffer hot flashes, nervous, highstrung, weak, tired feelings? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this purpose! Taken regularly—Pinkham's Compound helps build up resistance against such distress. Thousands have reported benefit! Also a very effective stomachic tonic. Worth trying! LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Works Where Most Colds Start!

When a head cold strikes, put a little Va-tro-nol in each nostril. It's a specialized medication that—
✓ Quickly Relieves sneezy, sniffly, stuffy distress of head colds. Makes breathing easier.
✓ Helps Prevent many colds from developing if used at the first warning sniffle or sneeze.

So keep Va-tro-nol handy—and use it the instant it is needed. Follow directions in the package.
