The Women's Missionary group is to have its monthly meeting next Wednesday, February 19—an all day session beginning promptly at 10 a. m. with a lot of sewing planned and ready for our Bolivian missionaries. A large group is needed, to come with scissors and thimbles; also a covered dish for lunch and each lady bringing her own table service and cup and saucer to be donated to the kitchen cupboard.
Following the luncheon the business meeting will discuss matters of importance with reports from the different chairmen and circles and this will precede the interesting program, in charge of the program chairman, Mrs. Frank Hamilton. The discussion is to be on the Minority Groups in our United States, which promises to be very interesting and a large attendance is expected.
