

More About Washington

(Continued from Page One)
are brief, but adequate for the purpose of the record and for the information of the committee. Heretofore, Members have had no such opportunity. I hope other committees will adopt the same system.

One of the outstanding characteristics of this 80th Congress is the large number of members who have served in the armed forces. Nearly half of the members of each house are veterans, many having served in two wars. Thirty-six Senators are listed

as veterans, 28 of World War I, five of World War II, one Spanish American and even one who fought in the Boer War. One Senator was in both the Spanish American and first World Wars. In the House of Representatives, 200 members have seen service. Four are Spanish War vets, one of whom also was in World War I. Fourteen of the 138 who served in the First World War saw further service in the Second. Fifty-eight others are veterans of World War II.

Annual competitive examinations for appointment to the U. S. Coast Guard Academy will be conducted by the U. S. Civil Service Commission May 7th and 8th. Unmarried young men between 17 and 22, military or civilian, are eligible on meeting educational requirements.

Candidates intending to take the examination should write to the Commandant, U. S. Coast Guard, Washington, D. C., before April 1 to make arrangements for the examinations. I shall be glad to send full information and regulations to any who are interested.

DON'T FORGET

Old Maid's Dance. Sponsored by Home Extension Unit, Saturday, March 22, Bridgeview Grange Hall.

TODAY'S MERCHANDISE AT TOMORROW'S LOW PRICES
