From where I sit . . . by Joe Marsh

**Mystery of
the Rocking Chair**
Ma Hoskins has a favorite rock-
ing chair that's worn and shabby,
with a noisy creak. Pa Hoskins has
listened to that squeak for thirty
years . . . and he decided to do
something about it. So he bought
a new rocker, and hid the other in
the barn.
Ma allowed as how grateful she
was . . . but when Pa missed her
one afternoon, he heard a familiar
sound that led him to the barn.
There was Ma rocking happily in
her old chair—squeak . . . squeak.
No need to tell you how Pa felt.
Quick as a wink he hid the new
rocker and then brought Ma's old
chair back to the house. Now when
he hears that squeak, he looks at
the mellow glass of beer he's drink-
ing and says to himself: "She's just
as entitled to her small pleasures
as I am."
From where I sit, that's one of
the reasons the Hoskinses are the
happiest, oldest-married, peace-
fulest folks in our town.
