Juice-Over Oven. If a fruit pie runs over in the oven, sprinkle salt on the spilled juice. It lessens smoking and simplifies cleaning once the oven is cooled.

Fix Poor Heels. When heels wear over, have them repaired immediately. Otherwise the shape of the shoe may be ruined permanently, and worse still, the wearer may suffer from faulty posture.

Daily Fire Toll. Every day there are 1,000 home fires, 28 deaths by fire, 130 store fires, 100 factory fires, 7 church fires and 3 hospital fires, according to the National Fire Protection association.

Stellar Universe. There are about 100 "island universes" in the galaxy which have tens of thousands of stars as bright or brighter than the sun.

U. S. Illiterates. According to present estimates, there are 10,000,000 grown-ups in the U. S. whose knowledge of the three "R's" is so slight that they are badly handicapped as workers, as heads of families and as citizens. Of this total 2,000,000 are Negroes.

Keep Shoes Cool. Heat will rot rubber and weaken leather so don't store leather shoes or overshoes in a hot attic. Put them in a cool dry place, and clean them thoroughly. Mud left on shoes will make a permanent stain on the leather.

Tarnished Jewelry. To brighten tarnished gold jewelry, rub it lightly with a tooth brush dipped in ammonia and then baking soda.

Milk Consuming State. Pennsylvania is the second greatest milk consuming state, but ninth in milk production. The Keystone state ranks fourth in the amount of cash farm income from milk, fifth in respect to the value of her heifers, and 10th in the number of cows.

Meningitis Caused Deafness. Meningitis used to leave many hopeless cases of deafness; such cases were numerous among veterans of World War I. Treatment with streptomycin, penicillin and sulfa drugs has almost eliminated this type of deafness.
