IF THIS MAKES SENSE . . .

We read recently where we are still sending Russia lend lease material that runs into millions of dollars. The reason given was that it was on the program, and while the material was still in the United States, it was earmarked and could not be changed and had to go as ordered.

Russia is the one menacing nation that is giving the United Nations all its headaches, and they are calling us everything in the calendar, yet we can't stop sending them millions of dollars worth of lend lease merchandise because it's on the program. If this makes sense, we're either crazy or don't know what common sense means—maybe both.

CITY DUMP GROUNDS

The city was given the right to use a dump ground which has been provided under certain restrictions. If we want a place to dump our garbage we should, by all means, abide by the restrictions. In another column we are publishing the rules, if the citizens want a dumping ground they must adhere to the rules.

One individual, if they want to be contrary, can disrupt the whole arrangement, and then we will be looking for another dumping ground. It should be the policy of citizens, in the interest of everyone, to report anyone that is seen disregarding the rules.

The City of Cave Junction is growing and so is the entire Illinois Valley. So are taxes.

O'BRIEN SAYS:

Mr. and Mrs. Don Brumley, Diane, Shaan Ray, Mr. and Mrs. C.

S. Colelazier, Jr., and Mr. and Mrs. Harold Wagnon, were Crescent City visitors last Sunday.

Mrs. Linda Reece was surprised by a group of friends at her home last week, to help celebrate her birthday. Those who dropped in with gifts or sent a remembrance were: Mr. and Mrs. Clyde Colelazier, Jr., Mrs. Harold Wagnon, Mr. and Mrs. Colelazier, Sr., Mr. and Mrs. John Shaw, Mr. and Mrs. Bill Shaw, Larry Bill, Johnny Lee, Mr. and Mrs. Shelby Reece and family, Mrs. Gladys Johnson and children, Mrs. J. Spears, Floyd Reece, Richard Davis, and Mrs. Perry with Kenneth and Pat.

Freddy McConnell, who was injured in a motorcycle accident last week is reported slowly improving from painful injuries.

O'Brien says: that she is proud of her place in Pacific Northwest history. The Grants Pass Courier of April 3, 1935 edition, has some

interesting tales to tell of the pioneers who built up this section of the country. One of the most interesting of the pioneer families is the H. J. Woodbury family who live about a mile from O'Brien up the old stage road to Crescent City. The old oak tree, on which the toll road sign hung, still stands, the hotel and barns were nearby. One can drive over the road now and imagine the coaches drawn by four prancing horses. Mrs. Woodbury says the drivers complained of the condition of the road even then, calling it the "toil" road, because many times they were mired in mud up to the axle.

It is difficult to believe that stage coaches operated on this road until 35 years ago.

Mrs. Louis Woodbury's parents were natives of Kerby, and her husband H. J. (Bert) Woodbury,
