Our Sunday School is growing.
We extend a special invitation to
all children and adults who are not
attending a Sunday School, to at-
tend our Sunday School. There
are chalk talks for the children.
The Junior ages have a good teach-
er in Mrs. Rhea and her class has
grown. The teenagers group is
taught by Walter Burger. There
is also a class for adults taught by
Mrs. Burger, this class is making
progress and all mothers and fath-
ers are invited to attend and to
bring their children or somebody
elses children with you. We are

making preparation for the Christ-
mas season and expect a good pro-
gram in which all ages of the Sun-
day School will take part.

Last Tuesday night topped the
Young Peoples service with 50
present. The winning contestants
were the blues, led by Captain
Buster Martin, but they only won
by 125 points, which made it a
close race. The reds led by Cap-
tain Frankie Brown are supplying
a dinner for the winners which will
be held at the church next Tues-
day evening at 6:30.

Mrs. Dick sang, "Because He
Loves Me So."

The Junior choir meets for re-
hearsal Saturday at 2 p. m.

Personal donations have been
made for the expense of the new
furnace by friends of the church.
Outstanding activity of the week
for ladies of the church is the ba-
zaar and rummage sale at the
Legion hall this week end, with
some outstanding bargains. Things
are priced very reasonably.

How Deafened People Now Hear Clearly

Science has now made it possible
for the deafened to hear faint
sounds. It is a hearing device so
small that it fits in the hand and
enables thousands to enjoy ser-
mons, music and friendly com-
panionship. Accepted by the
American Medical Association's
Council on Physical Therapy. This
device does not require separate
battery pack, battery wire, case
or garment to bulge or weigh you
down. The tone is clear and pow-
erful. So made that you can ad-
just it yourself to suit your hear-
ing as your hearing changes. The
distributors of Beltone, James N.
Taft & Associates, are so proud
of this achievement that they will
gladly send free descriptive book-
let and explain how you may get
a full demonstration of this re-
markable hearing device in your
own home without risking a penny.
Write to James Taft & Associates,
734 American Bank Bldg., Port-
land, Oregon.
