Women Squelch Grippers; Put 'Em on Committees

Gripping doesn't go in Noel, Mo., and it's a women's organization—of all things—that's putting a stop to it.

"Every time someone growls about a situation," its leader says, "we put them on a committee to straighten it out." "Straightening it out" so far has meant turning the city dump into a public park, providing equipment for city tennis courts, instituting a sanitation and clean-up program, and installing several public drinking fountains.
