Local Jaycees Attend Keep Oregon Green

At a Keep Oregon Green meeting held in Grants Pass recently the Illinois Valley Jaycee was represented by two members, Dan Hadley and Earl Pfaendler, local chairmen for this campaign.

Ways of impressing the out of state visitors with the importance of being careful with burning matches, cigarettes, etc., were discussed. Posters and other Keep Oregon Green reminders are to be distributed thru local service stations, restaurants and the Forest Ranger station.

The Junior Chamber of Commerce will appreciate your cooperation. Help to Keep Oregon Green!

O'BRIEN NEWS

By Ruby Thompson

Friends of Emma Lemm are happy to learn that she is out of the hospital again and recuperating at the home of Helen Erkhart for a time. Emma wishes to express her thanks to friends for the cards, and flowers sent her while she was confined in the hospital. It brightened her days considerably.

A number of the O'Brien school children are now enjoying their hot lunches at Melody Lane which recently opened to the public at O'Brien. Mothers are also enjoying the change from lunch packing.

Little Donald Busch, son of Mr. and Mrs. Busch of Waldo store, is gradually improving from his illness and all his little friends will be glad to hear of his being on the mend.

Helen Gunn and daughters, visited friends in Grants Pass last week.

Hiram and Jay Humphrey are leaving soon for their home in Wisconsin.

Blanche Lackey and Bertha Curnow gave a stork shower for Norma Kaiser at the former's home last Thursday. The honored guest received many lovely and useful gifts.

RAMBLERS ENJOY FEAST AND HIKE RIDES

The Ramblers enjoyed a pot-luck barbecued steak dinner, topped off by fried spuds, cake, cookies and coffee at the home of Cora Masoner on the westside road last Friday. After lunch the group looked over a site of land which Mr. and Mrs. Chester Gilliam have offered to give the Ramblers for a club house. As many of the members and some local residents are interested in fast horses, it is hoped a quarter mile race track can be constructed, also a club house and show ring.

New members are always welcome and the only requirement is that the lady own a horse and ride. Those riding Friday were

Marie Smith, Helen Farmer, June Knight, Juanita Rush, Ethel Banta, Zenna Garrison, Pansy Keene Webb, Nettie Gilliam and the hostess, Cora Masoner.

From where I sit ... *by Joe Marsh*

Sam's Hens Wear Spectacles!

Yes, it's a fact! Sam's brood of two dozen hens are wearing spectacles — which he bought from a mail-order house in Capitol City.

Sam says it works (and big poultry raisers say so, too). The hens see each other through soft colored glasses, and instead of fighting and picking at each other, they go around placidly, gain weight, and lay more eggs.

Makes me almost wish we could have rose-colored glasses for human beings, too. So that instead of quarreling and criticizing, like we do so much of the time, we'd live and let live in contentment.

From where I sit, the human race wastes a powerful lot of time in wrangling over minor issues... whether a man should drink beer or cider... whether a woman should wear slacks or skirts... instead of seeing each other through "spectacles" of tolerance that enable us to live-and-let-live like Sam's brood of chickens.

Keep EARL T. NEWBRY FOR Secretary of State

Earl T. Newbry's past record as a legislator reveals that he works just as hard at the public's business as he has at his own.

He works just as hard to produce the maximum from the public's dollars as he did in making a record as a successful orchardist, business and civic leader.

For better government's sake, keep Earl T. Newbry Secretary of State.
