It's Our American Heritage The Ballot Box . . .

And we're going to exercise our franchise and go to the polls and vote on Friday, May 21st.

Mary and John are trying to tell everyone who has registered and are entitled to vote, that it is not only a privilege, but an honest-to-goodness American duty to go to the polls and vote on election day.

America will stay free just as long as we take advantage of the right to express our choice at the ballot box.

Let's all do our duty on election day and vote. The Model Grocery believes it is a privilege for them to bring this message to you in the hope that all of the Valley residents will take advantage of their right to vote. We don't care who you vote for just as long as you vote.
